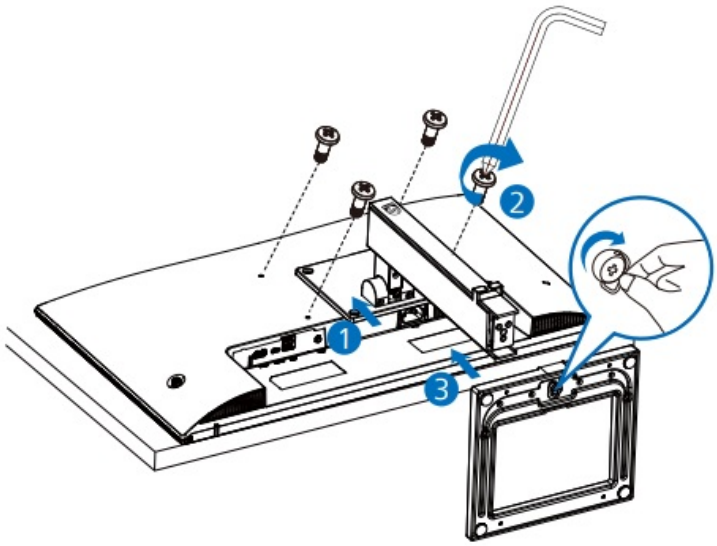
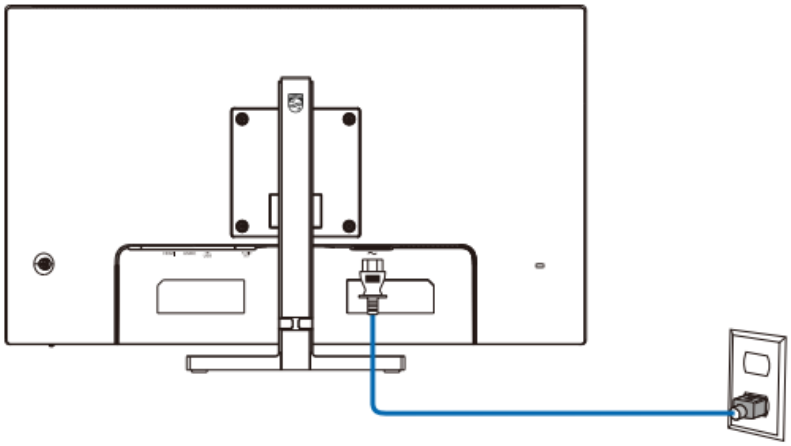
⚠CAUTION

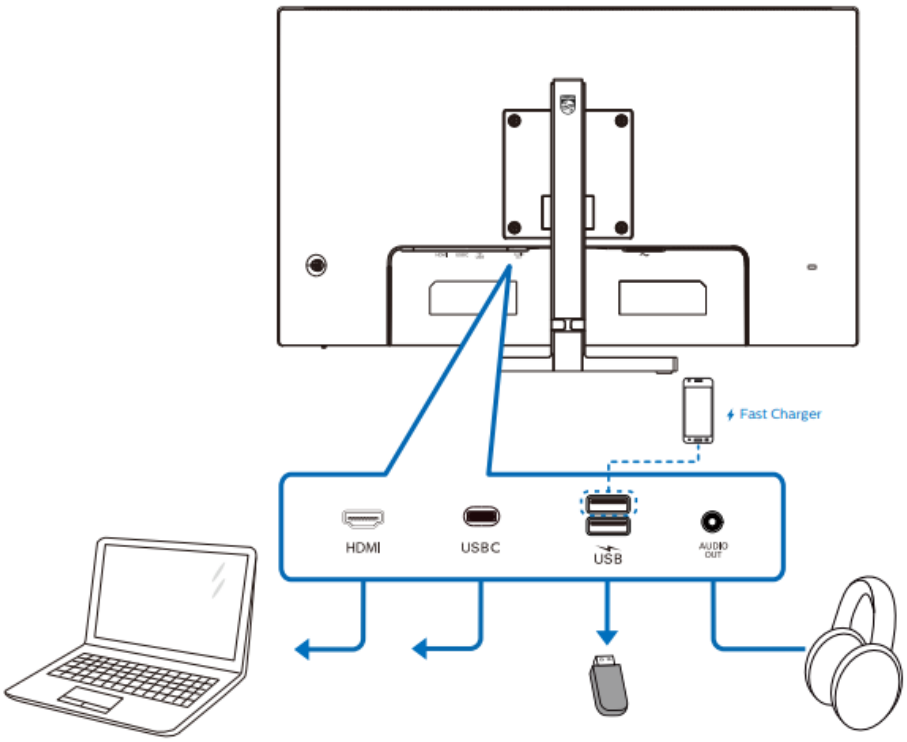
Place the monitor face down on a smooth surface. Pay attention not to scratch or damage the screen.

Setting Up the Monitor

1. Place the monitor face down on a smooth surface to avoid scratching or damaging the screen.

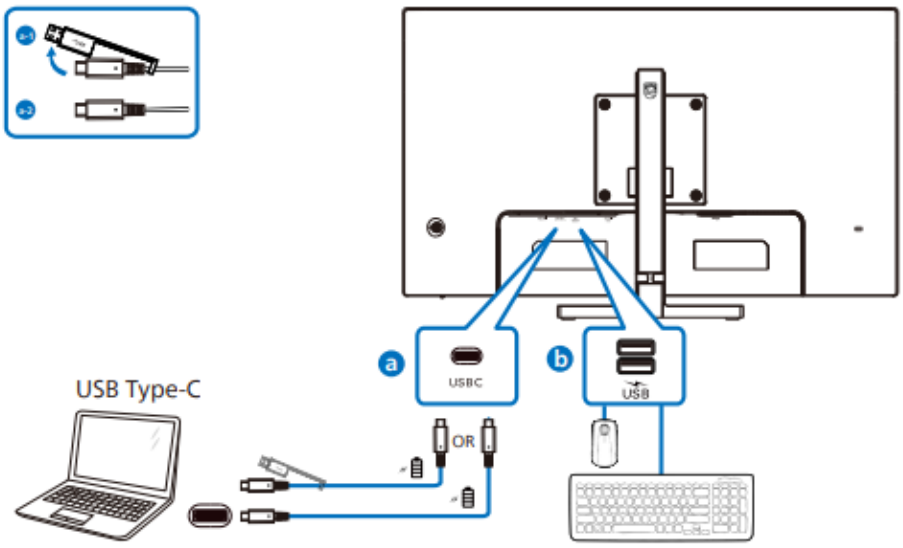




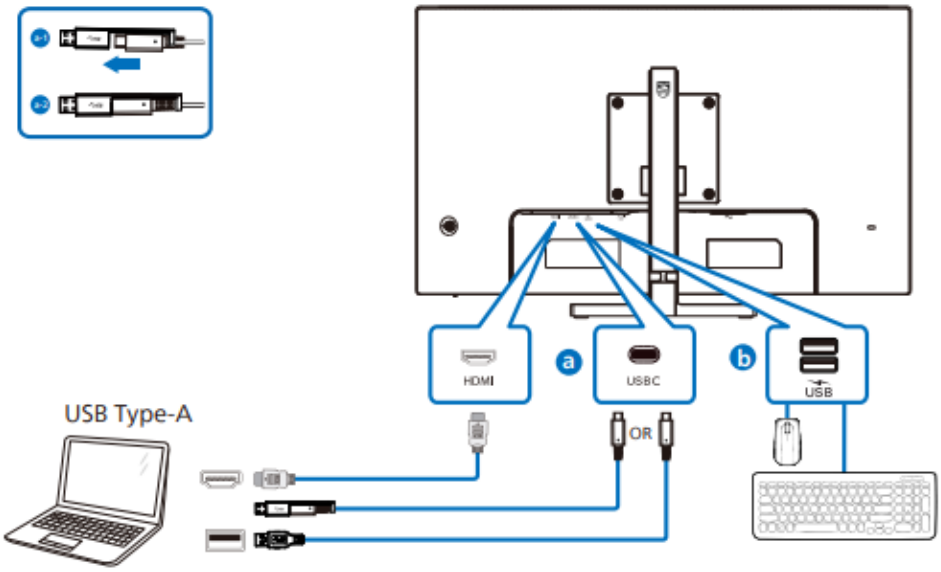


2. Connect the power cable and any necessary cables (HDMI, USB) to the corresponding ports on the monitor.

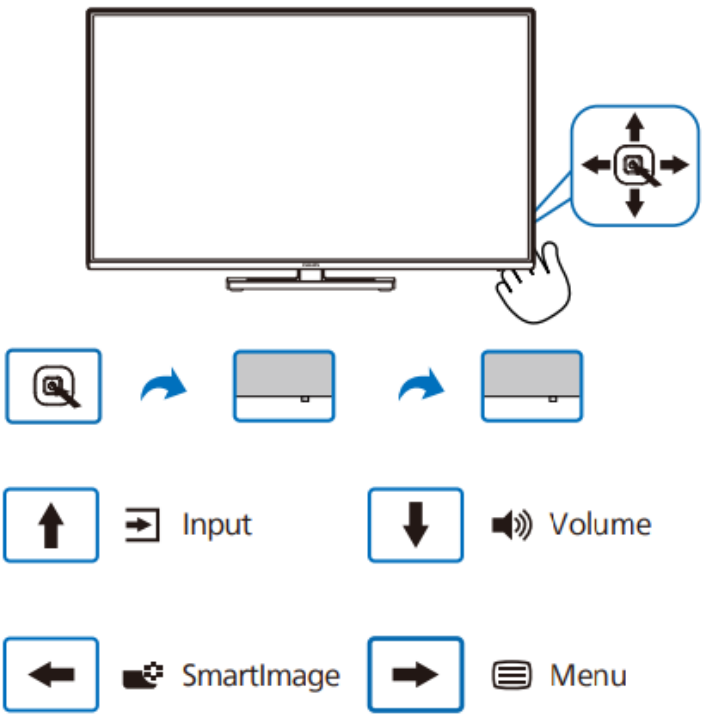
USB C-C

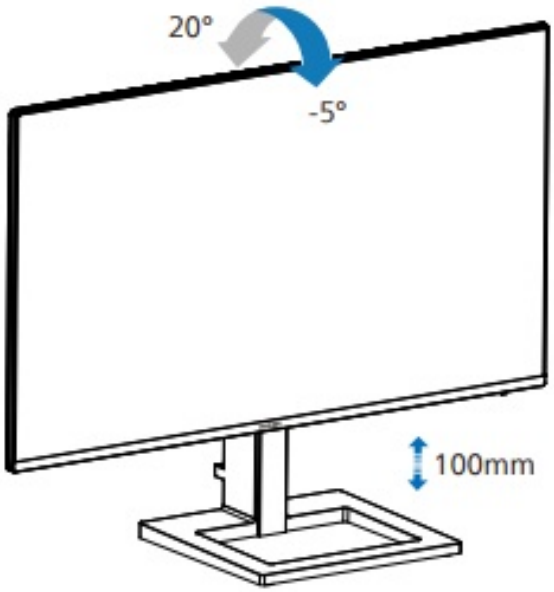


USB hub (USB A-C)



3. If using a USB hub, connect it to the monitor following the provided instructions.





Using the Monitor Controls

The monitor features input selection, SmartImage adjustments, volume control, and menu navigation controls. Follow these steps:

1. Use the input button to select the desired input source.
2. Adjust SmartImage settings for optimal display performance.
3. Control the volume using the dedicated volume buttons.
4. Navigate through the menu options using the menu buttons.
