PHILIPS 27M2N3800F Computer LCD Monitor

Specifications:

- Model: 27M2N3800F
- Manufacturer: Top Victory Investments Ltd.
- Trademark: Philips
- Interface: HDMI, DP
- Software: EVNIA Precision Center Software

Product Information:

This Philips Precision Center monitor, model 27M2N3800F, is a high-quality display designed for precision and performance. It comes with advanced features and is compatible with HDMI and DP interfaces. The monitor is manufactured by Top Victory Investments Ltd. under the Philips brand, known for its quality and reliability.

Usage Instructions:

1. **Software Installation:**
   To adjust settings on your monitor, install the EVNIA Precision Center Software on your computer. Follow the installation instructions provided with the software.
2. **Connection:**
   Connect the monitor to your computer using the HDMI or DP cable provided. Make sure the connections are secure.
3. **Power On:**
   Plug the monitor into a power source and press the power button to turn it on.
4. **Adjust Settings:**
   Use the EVNIA Precision Center Software to customize display settings such as brightness, contrast, color balance, and more according to your preferences.
5. **Input Selection:**
   Switch between different input sources using the Input menu on the monitor. Select HDMI or DP based on your connected device.
