PHILIPS RC065B EcoDesign Document Instructions

LS & SCG dismantling instructions (after end of life)

Please inform yourself about the local waste disposal, separation and collection system for electrical and electronic products. Please act according to your local rules and do not dispose of your old product with your normal household waste.

The correct disposal of your product will help prevent potential negative consequences for the environment and human health.

The light source and/or control gear and/or the external flexible cable contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.

All rights reserved. Reproduction in whole or in part is prohibited Without the prior written consent of the copyright owner.

The information presented in this document does not form part of any quotation or contract, is believed to be accurate and reliable and may be changed without notice. No liability will be accepted by the publisher for any consequence of its use. Publication thereof does not convey nor imply any license under patent- or other industrial or intellectual property rights.
