Wired simplicity, compact design

Perform millions of keystrokes with this durable keyboard. Apart from its long lifespan, it also functions with a USB 2.0 wired connection that aids endless productivity.

Philips reliability

- Keys last millions of keystrokes for durability
- Laser-engraved keys look great and last longer

Designed for style and performance

- Stylish design for a clean set-up
- Super-responsive keys feel great and offer high performance

Designed for performance

- Convenient multi-media shortcuts

Plug and Play

- Simple plug-and-play wired USB connections

Highlights

Plug-and-play

Simple plug-and-play wired USB connections
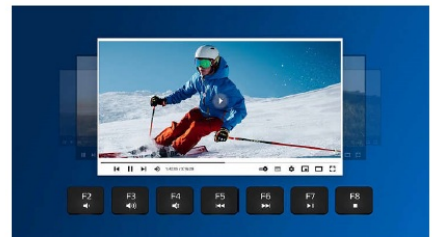

Keystrokes for durability

Keys last millions of keystrokes for durability

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account having a stylish, slim appearance and saving space.

Multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume or video play by a simple click.

Laser-engraved keys

Laser-engraved keys look great, are easy to read and last longer. A premium choice.
