Highlights

Buttons last millions of click

Buttons last millions of clicks for durability

Reduced click sound

Reduced click sound, for quiet and comfortable experience

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/ mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

supports multi devices

Widely compatible, connects to virtually any Bluetooth devices. Whether you are a MAC computer addict, use solely Windows, favor an iPad or Android tablet, this mouse works well.

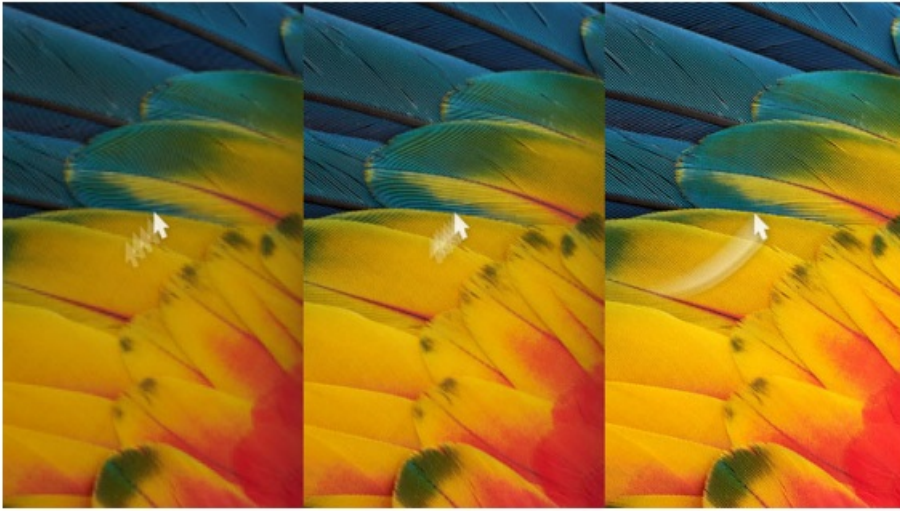

Intelligent power saving

With the intelligent power saving function, this mouse can go into standby and therefore save power when not in use.

Up to 3,200 DPI

This mouse delivers 800/1200/1600/2400/3200 5 levels precision tracking. Up to 3,200 DPI gives higher smoothing and accuracy.
