2. **Keyboard wire length:** 1.6m
3. **Number of buttons:** 3
4. **Button lifespan:** 3 million clicks
5. **Keyboard keys lifespan:** 10 million keystrokes
6. **Resolution** 1200 DPI
7. **Interface:** USB
8. **Mouse size** 110.2×65.6×34.8mm
9. **Keyboard size** 432.8×136.4×21.9mm

10. **Product weight** 655g ± 10g
11. **Operating temperature range:** 0 ° C to 40 ° C
12. **Operating humidity range:** 10% – 85%.

Troubleshooting

1. Make sure that the USB connector of the product has been correctly plugged into the USB port of the computer.
2. Make sure the computer meets the minimum system requirement.

If you can’t solve the problem, please try to find the solution from the Philips website or the nearest retailer. Please do not disassemble the product by force.

Attention

1. Photoelectric technology can correctly detect the movement of the mouse on most surfaces. Do not use the mouse on any reflective, transparent or uneven surfaces.
2. Please use dry and soft cloth to clean the product.
3. Do not disassemble the product by force.
4. Do not direct the light from the bottom of the mouse to your eyes.
5. Do not get in the rain or in the sun or fire.
6. Do not flush directly with water.

Important safety and compliance information

Disposal of product and packing material

Waste Electrical and Electronic Equipment-WEEE

This symbol on the product or on its packaging indicates that this product must not be disposed of with your household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling or waste of electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste equipment for recycling, please contact the local city office, the household waste disposal service or the shop where you purchased the product.

CE Declaration of Conformity

This device complies with the requirements set out in the Council Directive on the Approximation of the Laws of the Member States relating to the Electromagnetic Compatibility Directive (2014/30/EU), RoHS directive (2011/65/EU) and Radio Equipment Directive (2014/53/EU)(for Radio Equipment) This product has been tested and found to comply with the harmonized standards for Information Technology Equipment, these harmonized standards published under Directives of Official Journal of the European Union.

Federal Communications Commission (FCC) Notice

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a

residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

THIS CLASS B DIGITAL APPARATUS MEETS ALL REQUIREMENTS OF THE CANADIAN INTERFERENCE-CAUSING EQUIPMENT REGULATIONS.

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Dear customer

Thank you for purchasing a Philips IT accessory product. To ensure you a reliable after-sales service, please read the following instructions carefully. This product warranty period is valid for one year from the date of purchase (the date of receipt of the return receipt and the invoice date of the buyer).

Register your product and get support at: www.philips.com/welcome
