Download PicoScope Automotive and PicoDiagnostics software for free

Here you can download the latest versions of our automotive diagnostics software. If you do not yet have a PicoScope you can still download the software free of charge and run it in demo mode. Our development team are working hard to release regular updates to PicoScope 7 Automotive and PicoDiagnostics with additional features and support for future automotive PicoScope products and kits. A list of supported scope models is below:

PicoScope 3223 • PicoScope 3423 • PicoScope 4223 • PicoScope 4423 • PicoScope 4823 • PicoScope 4225 • PicoScope 4425 • PicoScope 4225A • PicoScope 4425A

Note: Test & Measurement scopes such as the PicoScope 2000 Series are not supported within our Automotive software.

Version notes

Two versions of PicoScope 7 Automotive are available: Stable and Early Access
