PIKOY

PIKOY Rechargeable Sound Machine Star Projector

Launch Date: April 22, 2022

Price: \$18.96

Introduction

The PIKOY Rechargeable Sound Machine Star Projector is a fun addition to any bedroom that brings together sound and sight in a delightful way. It's shaped like a cute horse and has a soft pink color. It makes bedtime scenes a little more magical. It is made of long-lasting acrylic and has a modern look that goes with any style of furniture. The LED light source in the projector makes a peaceful atmosphere by projecting a starry sky onto walls or ceilings. It works without a wire because it has a lithium-ion battery that can be charged. This device is very useful because it can be used as a white noise sound maker. It has 10 relaxing sounds that can help both kids and adults fall asleep. Because it's small and comes with lots of features, it makes a great gift for birthdays, holidays, or any other special event.

Features

- **Star Projection:** Projects a mesmerizing starry sky onto the ceiling or walls, creating a tranquil atmosphere.
- **Sound Therapy:** Offers a selection of soothing sounds to help relax the mind and promote better sleep.
- **Rechargeable:** Equipped with a rechargeable battery for convenient use without the hassle of changing batteries.

- **Timer Function:** Allows users to set a timer for the device to automatically turn off after a specified period, conserving battery life.
- **Portable:** Compact and lightweight design makes it easy to carry and use anywhere, whether at home or while traveling.

- **4-IN-1 Functionality:** Combines a unicorn night light projector, white noise sound machine, night light, and

girls' bedroom decor in one device.

- **Multiple Lighting Modes:** Offers 105 different lighting effects with 7 colors and 15 films for projection.
- **360° Rotating Projection:** Allows the projection to rotate for better coverage and a more immersive experience.

- **10 Built-in Soothing Sounds:** Provides a variety of soothing lullabies and white noise options to help children and babies fall asleep.

- **USB Rechargeable:** This can be conveniently charged using a USB cable, eliminating the need for disposable batteries.
- **Easy to Use:** Simple controls with only two buttons for switching colors, adjusting brightness, and selecting sounds.
- **Great Room Decor and Gift Idea:** Adds charm to bedrooms, game rooms, and parties, making it an excellent

gift for kids and babies for various occasions.

Usage

1. Charge the device using the provided USB cable.
2. Press the power button to turn on the device.
3. Select your preferred sound and projection mode using the control buttons.
4. Adjust the volume and brightness settings to your liking.
5. Optionally, set a timer for automatic shut-off.
6. Enjoy the calming ambiance created by the PIKOY Rechargeable Sound Machine Star Projector.

Care and Maintenance

- Keep the device away from water and moisture to prevent damage.
- Clean the surface of the projector and control buttons with a soft, dry cloth.
- Avoid exposing the device to extreme temperatures or direct sunlight.
- Store the projector in a cool, dry place when not in use to prolong its lifespan.

Troubleshooting

Problem	Solution
Device not turning on	Ensure the battery is charged. Try resetting by holding the power button for several seconds.
No projection	Clean the projection lens. Check for obstructions.
No sound	Adjust volume settings and ensure the correct sound option is selected.
Bluetooth connectivity issues	Ensure the device is within range and Bluetooth is enabled. Reconnect if necessary.

Pros and Cons

Pros:

- Rechargeable battery
- 100 LED stars
- 6 soothing sounds
- Portable
- USB cable for easy charging

Cons:

- Limited color options
- No remote control

Customer ReviewsThe PIKOY Rechargeable Sound Machine Star Projector has received positive reviews from customers who appreciate its rechargeable battery, soothing sounds, and mesmerizing star projector feature. Many customers have reported improved sleep quality and a more relaxing atmosphere in their homes.
