Plugable Solutions for the Connected Classroom

At Plugable, we understand that the student and teacher experience goes beyond simply providing hardware. Our team of Education Technology Experts is here to assist buyers in finding affordable solutions that have undergone thorough testing to ensure they are secure, effective, and simple to use, for both K-12 and higher education. As an American brand, we take great pride in the quality of our products and the support we offer. Our support team in Washington is always available to provide expert advice tailored to meet the unique needs of your educational institution.

Explore our top USB solutions for the Connected Classroom. Eligible customers may qualify for a GEM discount at select distribution partners. If you don't see a product you are looking for, contact sales@plugable.com, or visit plugable.com to explore our full catalog.

Plugable SKU	Image	Product Description	Solution for the Connected Classroom
UD-MSTHDC		Works with Chromebook Certified Dual 4K USB-C 60W Docking Station	Designed specifically to work with Chromebook, this dock connects laptops to classrooms. The Google certification means enhanced security and functionality for users
UD-3900		Dual Display USB 3.0 & USB-C Universal Docking Station Windows and Mac	Universal compatibility with Windows and Mac is ideal in schools with a mix of laptops
UD-3900PDH		USB-C Triple Monitor Laptop Docking Station with 14 ports and 100W Charging	This dock gets a gold star for its impressive triple display options, massive 14-in-1 port expansion, and 100W power delivery

USBC-PS-60W		USB-C 60W Charger for USB-C Google Chromebooks	Reliable charging at a fraction of the price
USB2-MICRO-250X		USB Digital Viewer Microscope with Flex Mount & 250x Magnification	Surprisingly easy to use, no driver installation required. Great for presenting microscopic subjects to big classes
UDS-7IN1		8-in-1 USB C Hub Stand, 100W Pass-Through Charging for Phones and Tablets	Holds a tablet while providing multiple connectivity options and charging. The driverless feature makes it convenient for classrooms with different devices.
PS6-USB2DC		6-Outlet Clamping Desk Mountable Power Strip with 2-port USB Charger	Securely clamps to desks to provide power and USB charging. Especially useful in labs and at shared desks
USBC-11IN1E		11-in-1 USB-C Hub with 100W USB-C Pass-through charging with Ethernet, Driverless Dual 4K Monitors	Offers a wide range of connectivity options in a single device to connect multiple peripherals and devices simultaneously
USBC-HUB4A		USB C to USB, 4 Port USB 3.0 Adapter Hub for Windows, MacBook Pro/Air, iPad Pro, Surface Pro, Chromebook, Linux, Android	Allows multiple devices to be connected simultaneously, making it perfect for group activities or presentations. This hub is also compact and portable
USBC-HUB7BC		7-in-1 Charging Hub with Data Transfer for USB-C or USB 3.0 Laptops	The classroom charging solution for multiple laptops, tablets, or USB accessories. Daisy chain multiple for even more ports
