**poly Blackwire 5200 Series Corded USB Headset**

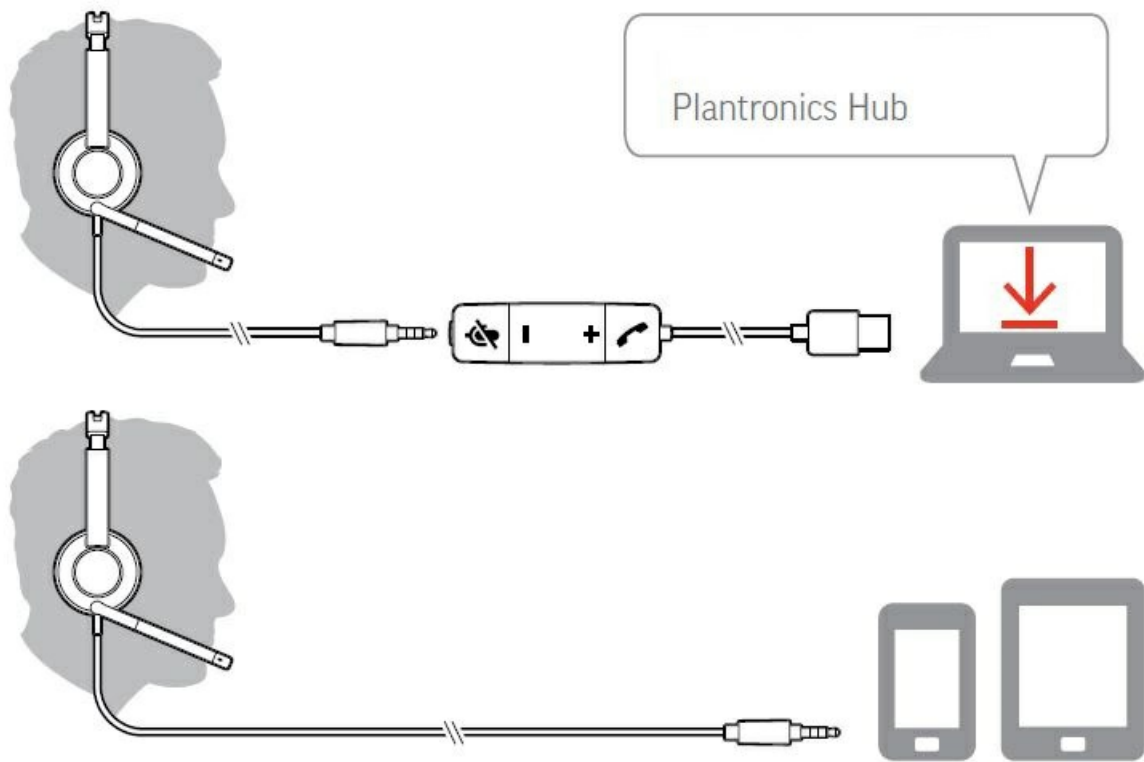

## Product Information

The product is called Blackwire 5200, a headset manufactured by Plantronics. It is designed to provide high-quality audio and comfortable communication for users.

## Product Usage Instructions

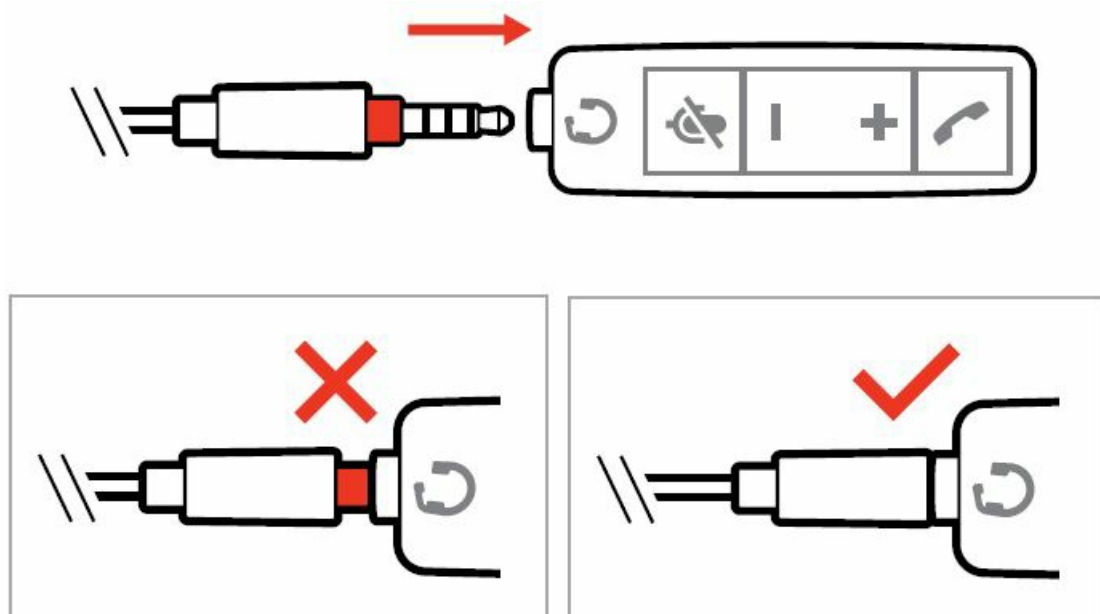

1. Connect to Device: Visit [plantronics.com/software](https://plantronics.com/software) and download the Plantronics Hub software. Install the software on your device to enable advanced features and customization options.
2. Connect to Headset: Once the Plantronics Hub software is installed, connect the Blackwire 5200 headset to your device using the provided USB cable or the appropriate connection method supported by your device.
3. Fit: Adjust the headset to ensure a comfortable fit. The Blackwire 5200 headset features an adjustable headband and rotating ear cushions for a personalized fit. Position the microphone boom in front of your mouth for optimal voice pickup.
4. Quick Start: Refer to the user manual or quick start guide provided with the product for additional setup instructions and troubleshooting tips. If you need further assistance, visit [plantronics.com/support](https://plantronics.com/support) for support resources and contact information.
