## To Unfold:

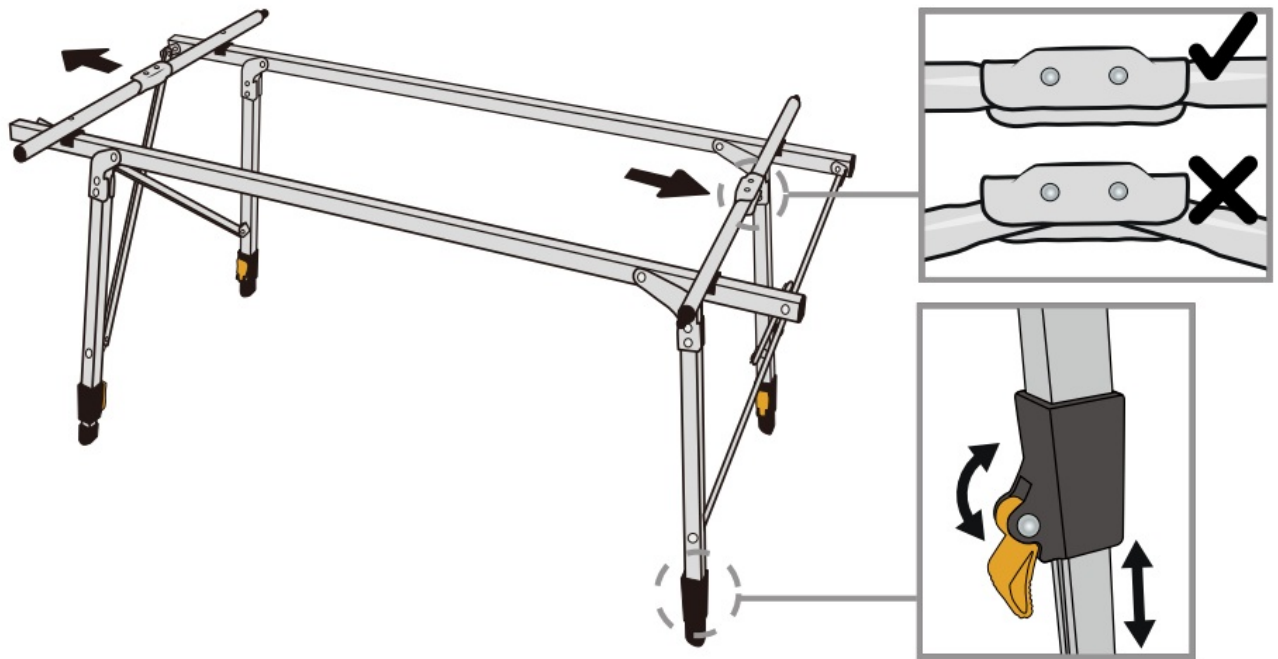

1. Remove the table top and frame from the carry bag.

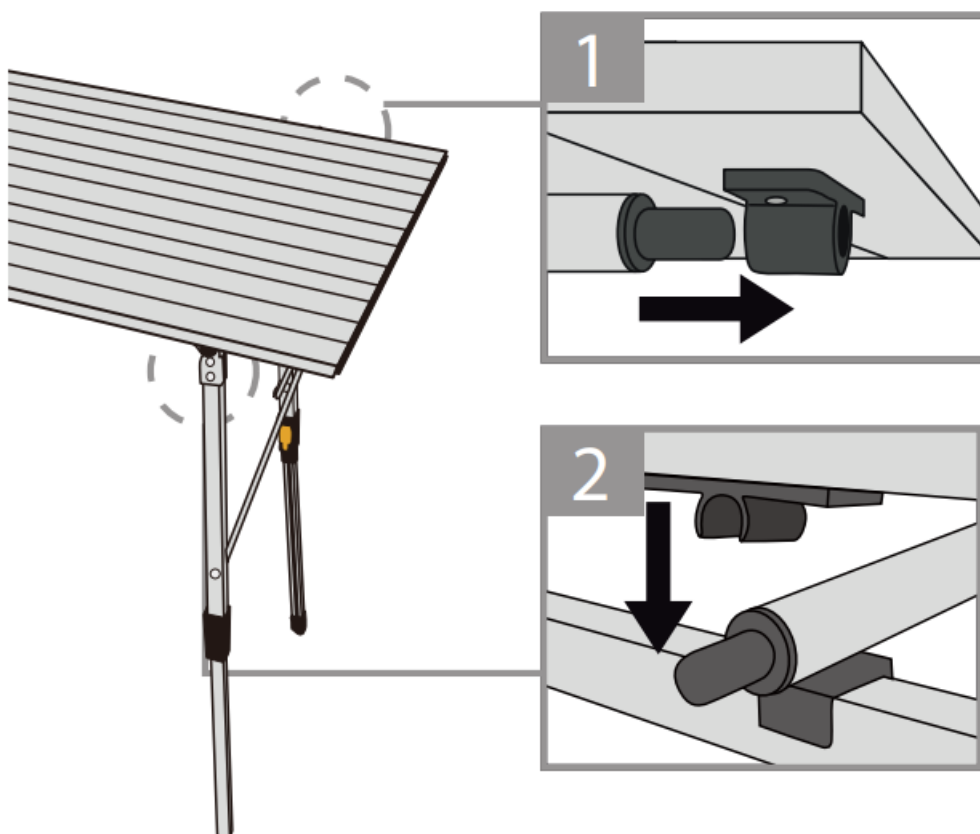

2. Place the frame facedown on the floor, Pull the four legs outwards and facing up until fully extended.

3. Flip the table up and adjust the height using the yellow level. Make sure to lock in place when reached a desired balance.

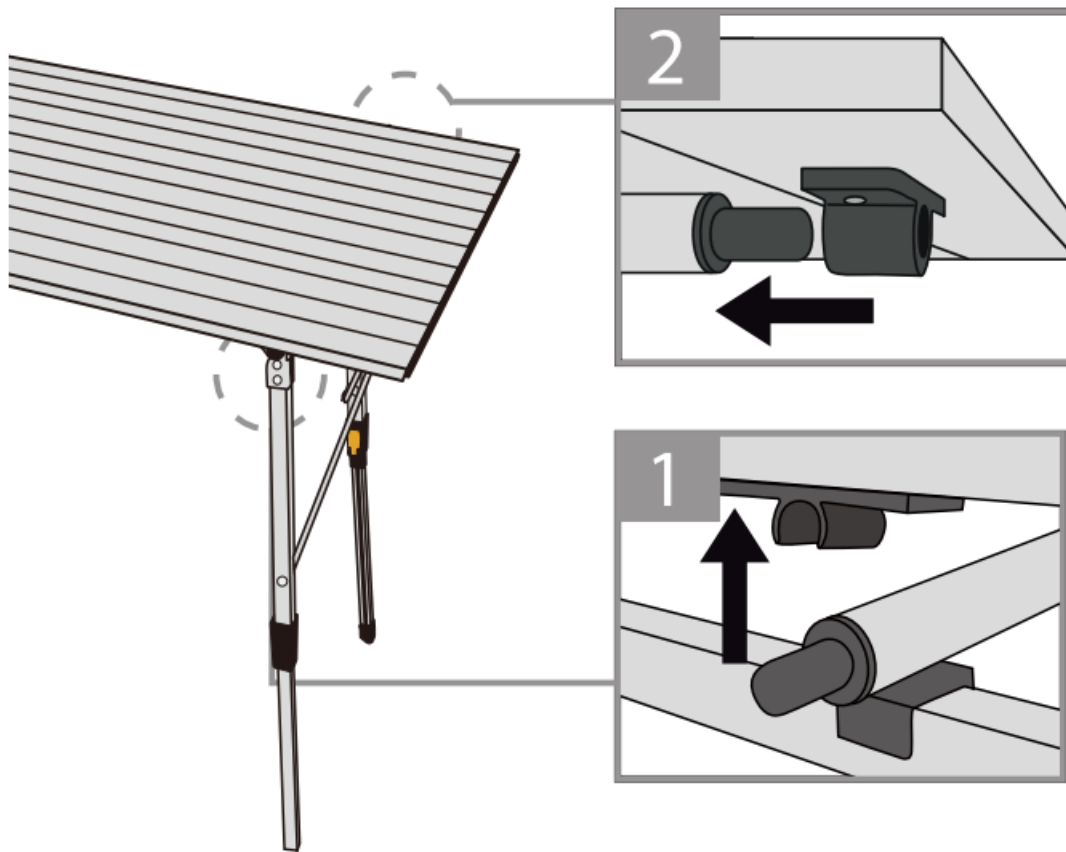

4. Slide in the tabletop at one end and press down the other end to click into place. \*A separate mesh shelf is included.

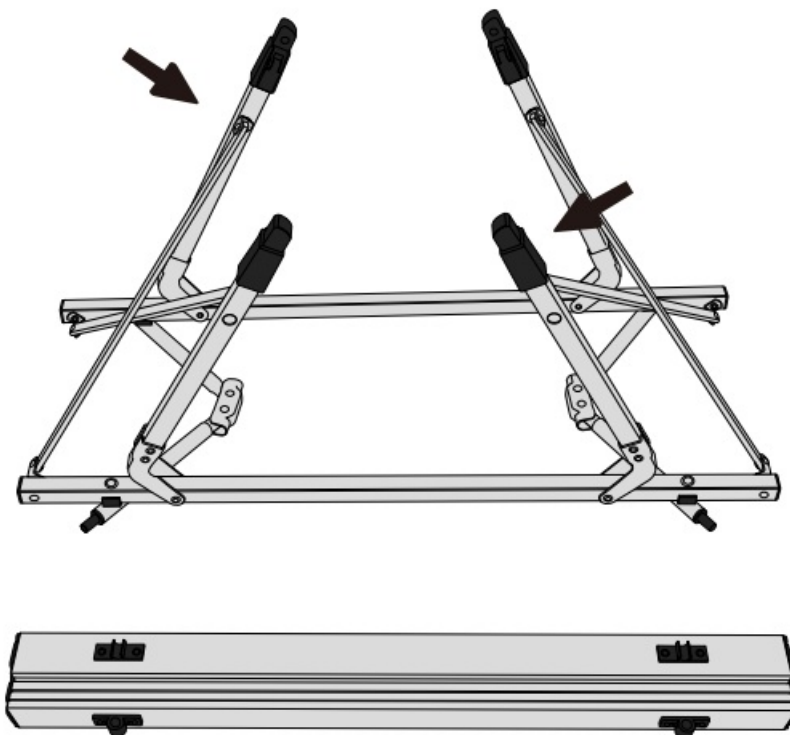

### To fold:

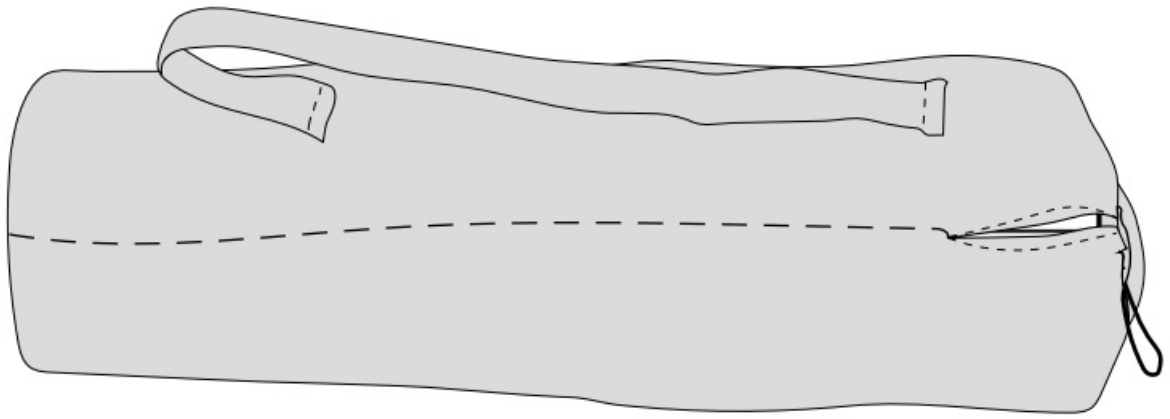

1. Pull up the table top at one end and slided out at the other end.

2. Fold the table top into one pack. Flip the table frame and push down the four legs and close the side.

3. Place each part into a separate chamber in the carry bag, to avoid scratch during transportation.

## Safety Tips

- Do NOT sit, step or stand on this table.
- This table is intended for dining purposes only
