WHAT'S IN THE BOX

- Automatic Interactive Fluttering Butterfly
- battery
- User Manual

PRODUCT OVERVIEW

FEATURES

- **Rechargeable Battery:** The big rechargeable battery lets you play for longer, so you don't have to worry about and pay for buying new batteries all the time.
- **Smart Touch Activation:** The toy turns off automatically after 5 minutes of not being used and stays in sleep mode for 2 hours. Cats can turn it back on with a simple touch.
- **Movements That Are Hard to Predict:** The chasing feather and flying butterfly keep your cat busy and happy for long periods of time.
- **Beautiful Packaging:** It comes in a pretty gift box, which makes it a great gift for Christmas, New Year's, or parties.
- **Advanced Electronic Motion:** It has a smart motorized system that makes it move in unpredictable ways, like real prey, to excite your cat's instincts.
- **Multiple Play Modes:** The chasing feather can turn in three different ways, and the feather and butterfly can be

used together or separately for a variety of play situations.

- **Durable Construction:** Made with high-quality materials that can stand up to rough play, so it will last a long time and not get damaged by chewing or scratches.
- **Portable and Lightweight:** It's easy to move and put in different places in your home because it only weighs 1.28 pounds.
- **Large Play Area:** Measuring 22.8 x 22.8 x 3 inches, it fits cats of all types and gives them plenty of room to play together.
- **Hide-and-Seek Game:** The feather can be fully revealed when the cover is taken off, making the game more interactive and appealing to our natural desire to hunt.
- **Encourages Exercise:** Active play like running and pouncing will keep your cat moving, which is important for living a healthy life.
- **Safe Materials:** It's made of plastic, which means it's non-toxic and safe for pets, giving pet owners peace of mind.
- **User-Friendly Operation:** The toy is easy to turn on and use, so pets can play with it on their own.
- **Helps Cats Play Alone:** This is great for keeping cats busy even when they're at home by themselves, which keeps them from getting boring or lonely.
- **Fits Cats of All Ages and Sizes:** This cat toy is great for cats of all ages and sizes, so any cat owner should have it.

SETUP GUIDE

- **Unbox the Toy:** Carefully take the Potaroma Fluttering Butterfly out of its box and make sure all of its parts are inside.
- **Check for Damage:** Before setting up the toy, make sure there aren't any flaws or damages that could affect how it works.
- **Charge the Battery:** For the best playing, use the USB cable that came with the toy to fully charge the battery before the first use.
- **Find a Good Place:** Pick a flat, stable area where your cat can play without any furniture or other toys getting in the way.
- **Power on the Toy:** If the toy has one, find the power button and flip it on to start using its interactive features.
- **Take Off the Cover:** If you want to play with the feather more, you can take off the toy's cover.
- **Touch Sensitivity:** To make sure the smart touch feature works, lightly tap the toy to see if it's turned on.
- **Change the Settings:** Get used to the different movement styles and change the settings to suit your cat's tastes.
- **Introduce the Toy to Your Cat:** Put the toy close to your cat and let it come up to it and look at it at its own speed.
- **Encourage Interaction:** To get your cat to play with the butterfly and feather, give them treats or games. This will make them more excited.
- **Keep an eye on the play:** Watch how your cat plays with the toy to make sure it's fun for them and to see how engaged they are.
- **Rotate Play Styles:** Every so often, switch between the modes to keep your cat's playtime interesting and new.
- **Watch Over Young Cats:** If you have babies or younger cats, you should watch them play to make sure they don't hurt the toy by rough handling.

- **Safely Store When Not in Use:** When not in use, put the toy somewhere safe to keep it from getting broken.

CARE & MAINTENANCE

- Every so often, wipe the toy's surface clean with a wet cloth to keep fur, dust, and other things off of it.
- **Charge the Battery:** Make sure the toy is charged regularly to keep it working at its best, especially if it gets used a lot.
- **Check for Wear:** Regularly look over the toy for any signs of damage, especially on the butterfly and feather parts.
- **As needed, replace parts.** If the feather or butterfly looks damaged, you might want to get new ones to keep the toy's play value.
- **How to Store It:** Keep the toy in a dry, cool place when not in use to keep it from getting damaged by water or high temperatures.
- **Stay away from water:** Keep the toy away from water and damp places to keep the computer parts from getting damaged or having electrical problems.
- **Take Off the Cover to Clean It:** If the cover can be taken off, do so and clean it separately to make sure it's fully maintained.
- **Watch the Battery Life:** Check the battery level often and charge it when it's low to avoid stopping play.
- **Keep Out of Reach of Young Children:** To prevent accidents, make sure the toy is kept somewhere that young children can't get to it.
- **Follow Recycling Rules:** To make sure you're not hurting the earth when you get rid of batteries, make sure you follow your local recycling rules.
- **Change Toys Often:** To keep your cat interesting, switch the Potaroma toy out for other toys on a regular basis.
- **Check for Loose Parts:** Look over the toy every so often to see if there are any loose pieces that your cat could choke on.
- **Use Gentle Cleaning Products:** If you need to clean, use cleaning products that are safe for pets to avoid using harsh chemicals.
- **Educate Family Members:** Make sure everyone in the house knows how to safely play with the toy so it stays in good shape.
- **Watch How Your Cat Plays:** Keep an eye on how your cat plays with the toy and take it away if you see any signs of stress or lack of interest.

TROUBLESHOOTING

Issue	Solution
Butterfly not fluttering	Ensure the toy is fully charged.
Fluttering stops unexpectedly	Check for obstructions in the mechanism.
Battery not charging	Use a different USB cable or power source.
Motion is too fast for the pet	Adjust the play area to accommodate pet comfort.
The toy makes unusual noises	Inspect for loose parts or damage.
Overheating during use	Allow the toy to cool down before recharging.
Butterfly appears stuck	Gently clean the mechanism to remove debris.
Not responding to touch	Ensure the toy is powered on and charged.
Fluttering too erratically	Reset the toy by turning it off and back on.
Pet loses interest quickly	Try interactive play with the pet to re-engage.
The toy moves away from the pet	Place the toy on a non-slippery surface.
Cannot find the charging port	Refer to the user manual for port location.
Toy damaged due to rough play	Supervise playtime to prevent excessive chewing.
Battery life is too short	Charge fully before use for optimal performance.
Pet is afraid of the movement	Introduce the toy slowly and allow the pet to explore.

PROS & CONS

Pros:

1. Engaging design that mimics real butterfly movement.
2. USB rechargeable, reducing the need for disposable batteries.
3. Lightweight and portable for easy relocation.
4. Encourages exercise and mental stimulation for pets.
5. Suitable for all breed sizes, making it versatile.

Cons:

1. May not hold the attention of some pets for long.
2. Requires supervision to prevent excessive chewing.
3. Fluttering action may be too fast for older pets.
4. Limited battery life may require frequent recharging.
5. The lightweight design may result in easy displacement during play.

WARRANTY

The **Potaroma A15 Automatic Interactive Fluttering Butterfly** comes with a **limited warranty** that covers manufacturing defects and malfunctions for a specified period after purchase. Be sure to check the warranty details upon purchase for comprehensive coverage information.
