## POVISON TS1021BL Modern TV Stand with Projector Shelf

## Product Information

### Specifications:

- Product Name: TS1021BL Installation Cabinet
- Drawer Type: Three-section side-mounted rail drawer
- Includes: Hexagon socket machine screws, gasket, wrench
- Number of People Needed for Installation: 2

## **Product Usage Instructions**

### **Installation Instructions:**

1. Take out the drawers on the cabinets.
2. Locate the holes in the inner panels of the cabinets on both sides, insert hexagon socket head screws, and connect with the middle cabinet. After the three cabinets are put together, just put the drawers back together.
3. There is an adjustable buffer at the bottom of the middle cabinet drawer. Turn the adjustable drawer left and right to pull the buffer.
4. Before installation, screw all the screws to 1/2 of the length of the installation. After all screws are half screwed in, tighten them all together.

### **Drawer Usage Instructions:**

1. To the teardown drawer: Pull the release buckle upwards while pulling another release buckle downwards.
2. To install drawer:
  1. Open the drawer as far as possible.
  2. Pull the disassembly buckle upwards while pulling another disassembly buckle downwards to separate the drawer from the guide rail.
  3. Align the two guide rail parts of the drawer and push the drawer forward to the bottom.
  4. Push and pull the drawer repeatedly (2-4 times) to check whether it is installed smoothly. If not, remove and reinstall the drawer.

## **FAQ**

- **Q: How many people are needed for installation?**
  - A: Two people are required for the installation of TS1021BL Installation Cabinet.
- **Q: What should be done before tightening all the screws during installation?**
  - A: Before installation, screw all the screws to 1/2 of the length of the installation. After all screws are half screwed in, tighten them all together.

The number of people needed for installation 2
