CONTENTS

- PowerA Wired Controller for Xbox
- Detachable 10ft USB Cable
- User Manual

SET UP

1. If your Xbox is off, connect the USB cable between an available USB port on your console and the Micro-USB port on your controller. Press the Xbox button on the controller until the console powers on. The small white LED will illuminate to indicate a successful connection.
2. If your Xbox console is already on, simply connect the USB cable into any available USB port on the console and connect the Micro USB to your controller.

The small white LED light should illuminate, indicating a successful connection.

NOTE: For player and controller assignment, reference your official Xbox user's manual.

USING THE SHARE BUTTON

Refer to Xbox documentation for details on functions and features related to the Share button.

TROUBLESHOOTING

For current FAQs, visit [PowerA.com/support](https://www.powera.com/support).

Q: Controller will not connect to Xbox console?

A: Confirm your Xbox console is powered "ON".

A: Confirm your TV is set to the proper video input and that you can see the Xbox console interface on your TV screen.

A: Confirm cable is properly connected to your Xbox console.

A: Confirm cable is properly connected to your PowerA Enhanced Wired Controller.

Q: Controller is connected but has no function?

A: Confirm you are using the Player #1 controller.

For more troubleshooting refer to your Xbox console User Guide.

MOTION WARNING

Playing video games can make your muscles, joints, skin, or eyes hurt. Follow these instructions to avoid problems such as tendinitis, carpal tunnel syndrome, skin irritation, or eyestrain:

- Avoid excessive play. Take a 10 to 15-minute break every hour, even if you don't think you need it. Parents should monitor their children for appropriate play.
- If your hands, wrists, arms, or eyes become tired or sore while playing, or if you feel symptoms such as tingling, numbness, burning, or stiffness, stop and rest for several hours before playing again.
- If you continue to have any of the above symptoms or other discomforts during or after play, stop playing and see a doctor

FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) this device may not cause harmful interference, and

(2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to Part 15 of the FCC Rules.

CAN ICES-003(B)/NMB-003(B)

This device complies with Industry Canada license-exempt RSS standard(s).

Operation is subject to the following two conditions:

(1) This device may not cause interference, and

(2) this device must accept any interference, including interference that may cause undesired operation of the device.

AUSTRALIAN WARRANTY STATEMENT

This product comes with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. If purchased within Australia or New Zealand, this product comes with a one-year warranty from the date of purchase. Defects in the product must have appeared within one year from the date of purchase, in order to claim the warranty. All warranty claims must be facilitated back through the retailer of purchase in accordance with the retailer's return policies and procedures.

Any expenses incurred, as a result of returning the product to the retailer of purchase are the full responsibility of the consumer.

REGIONAL COMPLIANCE SYMBOLS

More information is available via web-search of each symbol name.

■ The **WEEE** (Waste of electrical and electronic equipment) symbol requires battery disposal outside of other household waste per local regulations. Contact your city office, waste disposal service, or retailer for guidance.

The **CE** (Conformité Européenne aka European Conformity) mark is a declaration from the manufacturer that the product meets applicable European Directives and Regulations for health, safety, and environmental protection.

The **UKCA** (UK Conformity Assessment) mark is a declaration from the manufacturer that the product meets the applicable UK Regulations for health, safety, and environmental protection.

The **Regulatory Compliance Mark** is a visible indication of a product's compliance with all applicable ACMA (Australian Communications and Media Authority) regulatory arrangements, including all technical and record-keeping requirements regarding the electrical safety and/ or electromagnetic compatibility (EMC).

DECLARATION OF CONFORMITY

Hereby, ACCO Brands USA LLC at 4 Corporate Way, Lake Zurich, IL 60047 USA, declares that this wired controller is in compliance with Directive 2014/30/EU. The full text of the EU Declaration of Conformity is available at the following internet address: PowerA.com/compliance
