PowerNet 1001 7×7 Hitting Net

Product Information: 7×7 FT Practice Net

The 7×7 FT Practice Net (Model 1001) is a training net designed to help improve your skills in various sports such as baseball, softball, and soccer. The net comes with a set of parts including a center pole, upper and lower poles, side legs, a carry bag, and a net. The net is made of high-quality materials that are durable and can withstand heavy usage. PowerNet, the manufacturer of the product, aims to build confidence in sports through time and repetition. They believe that sustained success in all areas comes from challenging oneself to excel in sports. Their goal is to provide high-quality gear to players to help them achieve their goals.

Product Usage Instructions

1. Connect the Center Pole (M/M) and Center Pole (M/F) together.
2. Connect the Center Pole assembly to each Side Leg.
3. Connect an Upper and Lower Pole.
 1. Slide the connected Poles through a Net sleeve.
 2. Insert the connected Poles into the post holder on the Side Leg.
 3. Repeat steps 3 -3b on the opposite side.
4. Attach the white loop at the top of the Net to the silver notch located on the Upper Pole. Repeat on the opposite side. Note: You may bend the Upper Pole inward to make this step easier.
5. Attach the loop at the bottom of the Net to the hook on the Side Leg. Repeat on the opposite side.
6. Attach the red securing flap on the bottom of the Net around the Center Pole.

For more information on how to use the product, visit the website [TrainingNets.com](https://www.TrainingNets.com) and watch the video instructions. The product can be used for various sports such as baseball, softball, and soccer. It is recommended to practice regularly with the net to improve your skills and build confidence in sports.

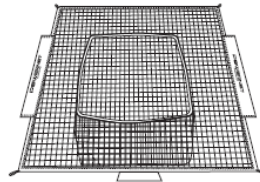

WARNING

- Read all instructions before use.
- Poles are under tension. Use caution during assembly and disassembly. Failure to do so may result in injury.
