Features

With this Powertech Slim Powerbank, you can charge your smartphone, tablet, smartwatch and other portable devices while on the go without worrying about running out of power. Its small and slim design makes it easy to slip into your pocket. Four LED's in the case indicate the remaining power before you need to charge.

Notes:

1. Do not drop, hit or shake the mobile power bank.
2. Do not put the power bank into the water.
3. Avoid exposure to direct sunlight or rain.
4. Do not store or carry flammable liquids, gases or explosives near power banks.
5. Keep your mobile power bank out of the reach of children.
6. Do not disassemble the damaged power bank.
7. Power banks are suggested to be charged at least once a month, and 50% or more power should be kept for its storage purpose.
