# **Powerwave Tempered Glass Screen Protector With Alignment Tray**

#### **Product Overview**

The Powerwave Glass Screen Protector with Alignment Tray provides complete protection for your Nintendo Switch™ 2 console screen. The anti-bacterial coating keeps

your console screen clean and the anti-blue light effect prevents eye strain during your gaming sessions, while the included alignment tray ensures easy and precise application onto your console.

### **Contents**

- 1x Anti-Bacterial and Anti-Blue Light Tempered Glass Screen Protector
- 1x Alignment Tray
- 1x Cleaning Cloth
- 1x Alcohol Wipes (1x Wet & 1x Dry)

#### **Installation Instructions**

- Place your console on a flat surface with the screen facing up.
- Clean console surface with wet wipe, follow with dry wipe, finish with cleaning cloth.
- Place the alignment tray face down onto your console, ensuring the tray sits flat against your console. The "top" arrow should be pointing towards the top of your console.

- Pull the side tab in a straight direction
- Slide your finger from top down over the glass through the gap in the alignment tray to stick the glass screen protector to your console.
- Remove the alignment tray from your console and gently run your finger over any air bubbles from the glass screen protector and wipe with a cloth to clean.

• If there are any bubbles, slighty lift the corner up until bubbles are gone then place back down into place
