IMPORTANT SAFETY INFORMATION

- Avoid use in damp conditions. For indoor use only.
- Connect directly to a mains supply wall socket only.
- Do not exceed the total maximum load of 13A / 3120W across all outlets.

OPERATION

- Connect the adaptor to a mains socket and turn on the power.
- Connect the devices you require to power to the outlet sockets.

INFORMATION ON WASTE DISPOSAL FOR CONSUMERS OF ELECTRICAL & ELECTRONIC EQUIPMENT.

When this product has reached the end of its life it must be treated as Waste Electrical & Electronic Equipment (WEEE). Any WEEE marked products must not be mixed with general household waste, but kept separate for the treatment, recovery and recycling of the materials used. Contact your local authority for details of recycling schemes in your area.
