PROAIM DL-CMPS-BF Background Frame

Product Information

Specifications:

- **Product Name:** Proaim Background Frame
- **Model Number:** XXXX
- **Material:** Steel
- **Color:** Black
- **Dimensions:** X inches (L) x X inches (W) x X inches (H)
- **Weight:** X lbs

Description:

The Proaim Background Frame is a sturdy steel frame designed to support backdrops for photography or videography purposes. It comes with spring clamps for easy setup and adjustment.

Product Usage Instructions

Setting Up the Background Frame:

1. Unbox the contents and lay them out on the floor.
2. Assemble the background frame setup according to the provided instructions.
3. Attach the backdrop support spring clamp securely to the frame.

Attaching the Backdrop:

1. Choose a backdrop of your choice that fits the frame dimensions.
2. Secure the backdrop to the frame using the spring clamps.
3. Adjust the tension of the backdrop as needed for a smooth surface.

Optional Accessories:

If you have optional accessories, such as additional backdrops or lighting equipment, you can attach them to the background frame for enhanced photography/videography setups.

What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Backdrop Support
Spring Clamp

Proaim Background Frame

Background Frame Setup

- Take one frame tube and align it with the adjoining tube.

- Press the pushpin button, insert the frame tube into the adjoining tube, and release to lock.

- Repeat this process to connect all the lower frame sections.

- After assembling the lower half, follow the same steps to attach the upper horizontal part of the frame.
- Once completed, the full rectangular frame is assembled.

- Loosen the knobs on the mounting brackets located at the bottom of the frame.
- Pull outward to create space for mounting.

- Align and attach the frame base with the mounting slot on the Compass 360°Photo Booth (not included).

- Tighten both knobs firmly to secure the frame to the Compass Booth.
- The frame is now securely attached to the Compass 360° Booth.

- Use the included Backdrop Support Spring Clamps to attach your background cloth (not included) to the frame.
- Clip the cloth evenly across the top and sides for a smooth, professional look.
