Storage Bag

Assembling

In case of spreader, Take out the Spreader and spread it on floor and open the legs (as per your requirement) of spreader with the help of provided knob. Now mount the Tripod Stand on Spreader, lock it in place with the rubber grips.

Assembling Jib Sections

Install the Hub (Section 2 of Jib) into bowl of your 100 mm tripod stand and tighten the hub with center locking knob.

Connecting Jib Arm Sections Section 2 with 3

Loosen the provided knob at the end of section 2 to slide the bars of section 3 into the end of section 2 .

Then tighten both the sections together using the provided knobs.

Assembling Cable Guide And Support Rod

For Attaching Section 2a with 2, 2b with 2a, 2c with 2b & 1 with 2c :

Retighten the knob to secure properly.

Assembling Cables

Now attach one end of 14.5ft blue cable to blue hook on back side of jib (section 3) and the other end of blue cable to blue hook on front section of jib (section 1).

Similarly attach the second blue cable and align both the blue cables to the side of support rod.

Now attach one end of 14.3ft red cable to red hook on back side of jib (section 3) and align the red cable to the cable guide from top.

Then, attach the other end of red cable to red hook on front section of jib (section 1).

Adjusting The Wire Tensioner

The wires have the screw-in wire adjustment system in order to adjust the wire tension to level the jib .

The jib arm can be locked (tilting) with the help of this knob.

Insert the weight rod & weights (not supplied) to both ends and secure with the help of closers.

The central fork has free hole to attach LCD mount bracket (not included) .

The camera plate can be tilted upwards & downwards with the help of provided handle.

YOUR PROAIM ALPHABET 21FT JIB CRANE WITH 100MM BOWL TRIPOD STAND ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty

We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts. Warranty doesn't cover transportation costs nor does it cover a product subjected to misuse or accidental damage. Warranty repairs are subjected to inspection and evaluation by us.

Liability: We are not liable for damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

Contact Us: In case of any kind of dissatisfaction, please Contact us immediately and we promise our utmost support and care until you use our product.
