What's In The Box

Please inspect the contents of your shipped package to ensure you have received everything that is listed below.

Vesa-Mount for Monitor

Vesa Mount Setup

- Pull and remove the detachable locking pin from the Vesa Mount.

    NOTE: There's a detachable locking pin that, when pulled out, lets you flatten the mount to stay on the Monitor

   for the next placement and secures it in open and closed positions.

- Now, match the threaded holes of the Vesa Mount and 75mm Monitor **(Not Included),** and insert bolts in them.

- After inserting the bolts, tighten them using the Allen key to attach the Vesa Mount to the monitor securely. Re-insert the detachable locking pin, as shown in the image.

- Properly insert the detachable locking pin so that the movement of the T-Slot plate can be stabilized.

- Mount the multifunctional 360° Rotatable Grip Head **(Not Included)** on the light stand **(Not Included).**

- Now, loosen the T-knob.

  NOTE: It quickly connects to 5/8″ baby-pin light stands and c-stands.

- After loosening the knob, open the Grip Head and mount the Monitor (**Not Included)** via the T-slot with V-centering onto the Grip Head.

  NOTE: Mount your monitor to a C-stand via T-slot with V-centering using 2.5″ Grip Heads.

- After inserting the T-Slot in the clamp, tighten it using the T-knob.
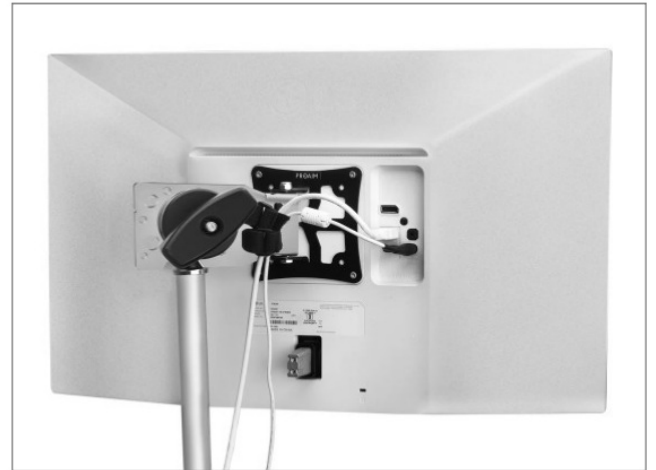

- Secure open and closed positions via tethering and detachable locking pin.

- The two slots at the hinge end allow black hook-and-loop straps for cable management and organization.

   NOTE: The versatile design has circular cutouts for bolting to head/wooden/set walls.

YOUR PROAIM SMART-MOUNT – VESA MOUNT 75MM/100MM ALL DRESSED UP AND READY TO GO!

(SHOWN WITH OPTIONAL ACCESSORIES)

Warranty: We offer one year warranty for our products from date of purchase. Within this period of time, we will repair it without charge for labor or parts.
