READ ALL INSTRUCTIONS AND PRECAUTIONS BEFORE USING INSTRUCTIONS

- Ready to use, do not dilute. Shake gently before using. Pre-test on carpet or fabric for colorfastness, in an inconspicuous location.
- Apply Prochem Rust Remover directly to the rust spot. Avoid over application. Allow 10-20 minutes of contact time. Agitate gently during dwell time with a brush or scraper (do not use fingers). Blot or extract area with clear water or cleaning solution.
- Repeat steps 1-3 if necessary. Groom carpet or fabric to align fibers.
NOTE: Old or large rust spots will require longer contact time than recent rust spots.
- Gentle agitation speeds rust spot removal.
- pH: 0.8 – 1.5 ready to use
CAUTION: Use product only in well-ventilated area. To avoid skin irritation or slip hazards, do not walk on wet carpets with bare feet.
NOTICE: Product must be stored at room temperature (59°F – 86°F/ 15°C – 30°C).
- Keep in sealed container when not in use.
- Product is not warranted if used for repack, improperly stored, or used in a manner not consistent with manufacturer's instructions.
