## PnV2 App Installation

- a. Install the free 'Provision PnV2' App on your device.
- b. Open the App and register for it.

## Registration

1. Click on 'Register new' or 'Quick Registration.'

A registration form with a red border. It contains two input fields: 'Enter your account' and 'Enter your password' with an eye icon for toggling visibility. Below the password field is a checkbox labeled 'Remember Password'. A large red 'Sign in' button is centered. At the bottom, there are two links: 'Forgot Password' and 'Quick Registration', which is highlighted with a green border.

2. Input the desired username and password.

**Note:** The username must be at least 6 characters long, and the password at least 8 characters (letters and digits.)

3. Click on 'Submit.'

**Note:** After registration, it is recommended to bind an email address with the account for password reset (if necessary.)

Username

Please enter the password

Submit

NOTE:

1. Username format: the length must be between 6 and 50 characters, containing digits, letters, and underline scores only. Other strings are invalid.
2. Password format: the length must be between 8 and 31 characters containing digits and letters only. Special characters are invalid, and the letters are

## Add Camera
