ProXtend PX-CAM005 XStream 2K Webcam User Manual

PRODUCT OVERVIEW

1. HD sensor
2. Omni-directional microphone
3. Mini-tripod attachment
4. Flexible clip/base
5. Anti-spy privacy cover

With 60 frames per second and 1/2.7" optical sensor, combined with an omni-directional microphone, the Xstream webcam is ideal for gaming and streaming purposes. As well as a great choice for online meeting and video conferencing applications.

At ProXtend we understand that megapixels are not everything when it comes to image quality. That's why we focus on the hardware that really matters, ensuring that you are 'seen and not just heard'!

FEATURES

- 1/2.7" CMOS image sensor
- Max. Resolution: 2592x1520p
- 60 fps (at 1920x1080p)
- Auto focus
- Anti-spy privacy cover
- Focal length: 100mm to infinity
- Omni-directional microphone
- Universal clip with 360° swivel

PLACE YOUR WEBCAM

Place the webcam where you want it on a computer monitor, flat surface or tripod. On a monitor, unfold the flexible clip and place the webcam to grip the edge of the screen with the foldable flexible clip. Plug the USB cable into your PC's USB port.

If using any other 3rd party camera or instant messaging software, please consult the publisher's user manual.

SAFETY WARNINGS

- Please do not place the webcam in extremely damp or dusty locations.
- Please do not place the webcam in places subject to extremely high temperatures, such as in a closed vehicle or direct sunlight.
- Please do not attempt to modify this webcam or remove the webcam casing. Internal inspection and repairs should be carried out by an authorized service facility.
- Do not expose the product to fire, water, direct sunlight or physical shock.
- If your webcam has been dropped or the casing has been damaged, disconnect it from your computer and contact your local dealer or an authorized service facility. Do not continue to use the camera.

CAUTIONS
If the webcam is hot after working for a long time, we suggest you disconnect it from the USB port. Avoid touching the lens with your hands and sharp or coarse items; use clean and soft cloth for cleaning. Avoid knocks and bumps; impacts may cause damages to the lens, malfunction or scratches to the surface.

DISCLAIMER
Every effort has been made to ensure that the information and procedures in this guide are accurate and complete, no liability can be accepted for any errors or omissions and we reserve the right to make product changes without further notice.

WARRANTY

We warrant that products purchased from authorized distributors will meet the applicable product specifications with no defects in design, assembly, materials and workmanship. We offer a 7-year warranty.
