## SAFETY, COMPLIANCE AND WARRANTY INFORMATION

- Read manual before product use.
- Safe and proper use of the product:
- Do not open or modify the product. This will void your warranty
- Do not direct the infrared/laser beam at anyone's eye or reflective object.
- Do not immerse the product in any liquid or expose it to heat or moisture. If the product is exposed to out-of-range temperature environments, power off the device until the temperature has stabilized within the specified operating temperature range. This is not a Children's product and is not intended for use by children under the age of 14 years old. If the product is operating improperly, contact Pulsar Support. ### Pulsar Limited Warranty

- Pulsar warrants that the product shall be free from defects in materials and workmanship for the length of time identified on the product package beginning from the date of original retail purchase.
- Please visit <https://www.pulsar.gg/pages/warranty> for detailed warranty information.
- Pulsar's entire IK ability and your exclusive remedy for any breach of warranty shall be, at Pulsar's option, to repair or replace a functional equivalent of the product, or to refund the price paid, if the hardware is returned to the point of purchase or such other places as Pulsar may direct along with a receipt. Warranty protections are in addition to rights provided under local consumer laws and may vary among countries.
