## CONNECTION DIAGRAM

## OPERATION

### Plug and Play

Connect the male USB-C connector of this adapter with a compatible USB-C device and then connect the adapter with an Ethernet switch using an appropriate Ethernet cable.

Your USB-C device will automatically connect to the Ethernet switch.

Enjoy the fast paced Ethernet on your PC / laptop.

### Note:

For Mac OS 10.6 or below, please download the latest driver from [www.realtek.com](http://www.realtek.com).

## INTENDED USE

For safety and approval purposes (CE), you must not rebuild and/or modify this product. If you use the product for purposes other than those described in this manual, the product may be damaged. In addition, improper use can cause hazards such as short circuiting, fire, electric shock etc.

## **SAFETY INSTRUCTIONS**

If you do not follow the safety instructions and information on proper handling in this manual, we assume no liability for any resulting personal injury or damage to property. Such cases will invalidate the warranty/guarantee. The device is not a toy. Keep it out of the reach of children and pets.

Do not leave packaging material lying around carelessly. These may become dangerous playing material for children.

Suffocation Risk! Keep packaging materials away from children!

Protect the product from extreme temperatures, direct sunlight, strong jolts, high humidity, moisture, flammable gases, vapors and solvents.

Do not place the product under any mechanical stress.

If it is no longer possible to operate the product safely, take it out of operation and protect it from any accidental use.

Safe operation can no longer be guaranteed if the product:

- is visibly damaged,
- is no longer working properly,
- has been stored for an extended period in poor ambient conditions or
- has been subjected to any serious transport-related stresses.

Please handle the product carefully. Jolts, impacts or a fall even from a low height can damage the product. Never open or attempt to dismantle the product.

Maintenance, modifications and repairs are to be performed exclusively by an expert or at a qualified shop.

Also observe the safety and operating instructions of any other devices which are connected to the product.

Consult an expert when in doubt about the operation, safety or connection of the device.

## **CLEANING**

You will find cleaning instructions via the following link: [www.purelink.de](http://www.purelink.de)

## **WARRANTY AND LIABILITY**

The manufacturer guarantees full statutory warranty terms on all new devices.

As the manufacturer has no influence on installation, warranty only applies to the product itself.

If any fault or damage is detected on your product, please contact your dealer and provide your sales slip or invoice as evidence of the purchase, if necessary.

Your dealer will repair the fault either on site, or send the device to the manufacturer.

You make the work of our technicians considerably easier, describing possible faults in detail – only then can you be assured that intermittent faults, will be found and repaired with certainty!

The manufacturer is not liable for damages to persons or property caused by improper installation, operation or maintenance, not described in this manual.

Do not alter or modify the product or its accessories.

Any use other than described in this user`s manual is not permitted and causes loss of warranty, loss of guarantee, and non-liability.

## **CE CONFORMITY**

PureLink GmbH hereby declares that this product/these products comply with Directive 2014/30/EU.

The full text of the EU Declaration of Conformity is available at the following Internet address: [www.purelink.de](http://www.purelink.de)

## **DISPOSAL OF THE DEVICE**

According to the European WEEE directive, any electrical and electronic equipment must not be disposed of along with consumer waste. As a consumer, you are committed by law to deposit electrical and electronic devices at public collecting points or to the dealer for free at the end of the device's lifetime. Details are regulated in the respective national legislations. The Wheelie Bin symbol on the product, in the manual or on the packaging refers to these terms. With the return of your used devices you actively take part in protecting the environment.

## DISCLAIMER

This product complies with the statutory national and European requirements. All company names and product names are trademarks of their respective owners.

All rights reserved.

We reserve our right for misprints and changes to the device, packaging or user manual.
