# PYLE

**PYLE 11 Powered ATV/UT Soundbar System**

## Installation

1. Stick the 45X10X0.5mm non-slip rubber strips (2 pieces) on the bottom of the clamps, then insert them into the slider.

2. Align the screw holes at the bottom of the clamps with the positioning holes that have been made in the slider and lock the M5X24mm screws and M5 spring washers to fix the clamps.

3. Stick 48X30X2mm rubber non-slip pads on clamps.

4. Installing on the cage bar of 1.5" to 2.0". Wrap the rubber strip on the cage bar to prevent being scratched. And then, press the aluminum rings on the rubber strip. The screw mounting holes of the aluminum ring are aligned with the base.

- 2" Cage bar are installed using 2" aluminum ring and 120X14X1mm rubber strip.
- 1.875" Cage bar are installed using 2" aluminum ring and 130X14X2mm rubber strip.
- 1.75" Cage bar are installed using 1.75" aluminum ring and 120X14X1mm rubber strips.
- 1.5" Cage bar are installed using 1.75" aluminum ring and 120X14X4mm rubber strips.

5. Use M6X60mm screws and M6 spring washers to pass through the aluminum ring and the base and the M6 non-slip nut at the back to fix the aluminum ring on the base as shown in the figure. Each nut should be installed in the hexagonal groove.

6. Complete the installation, the PWPSB1102 will be under the cage bar as shown in the figure.

7. The installation steps of the aluminum ring below are the same as above, after complete installation, the PWPSB1102 will be above the cage bar as shown in the figure.

## **BT Pairing & Connection**

#### Wire Diagram

#### Features:

- Built-in Class D Stereo Power Amplifier
- (4) 3.5" Mid-bass Drivers with Y35 Ferrite Magnets
- (2) 3.5" Mid-range Drivers with Y35 Ferrite Magnets
- Forward-firing Speakers for Maximum SPL and Sound Staging
- (2) 1" PEI Dome Tweeters
- Built-in BT Technology
- Supports A2DP Audio Streaming
- 3.5mm Auxiliary Input
- RCA Output for a Second Sound Bar, Subwoofer, Amplifier, or Powered Speakers
- Built-in LED lights (Red, Blue, Purple)
- LED Modes: Solid Color, Pulsating
- Marine Rated with Rugged Weatherproof Exterior
- IPX6 Waterproofing/Weatherproofing
- Weather Resistant Grill and Hardware

#### Wireless BT Connectivity:

- Wireless Music Streaming Ability
- Quick & Hassle-Free Device Pairing
- Works with All of Your Favorite BT-Enabled Devices (Smartphones, Tablets, Laptops, Computers, etc.)
- Wireless BT version 5.0
- Wireless BT Network Name: 'PyleUSA'

## What's in the Box:

- (1) 32" -inch Powered Soundbar
- (1) Aluminum clamp Base
- (2) 1.75" Aluminum rings
- (2) 2" Aluminum rings
- (1) 1.5" & 1.875" Rubber Pads Bag
- (1) Screw Bag
- (1) Audio Connection Cable, 3.5mm

## Technical Specs:

- Power Supply: 40 Watts RMS/80 Watts Peak
- Construction Materials: Polypropylene Mica Cone, Butyl Rubber Surround
- BT Range: 30'+ ft.
- Aluminum Clamp System Fits 1.5"- 2" Bars
- Frequency Response: 20Hz-20KHz
- Speaker Size: 3.67" x 3.67" x1.99" -inches
- Tweeters: 1" -inch
- Product Dimensions (L x W x H): 11" x 4.6" x 4.76" -inches
