PYLE

PYLE PMP18 Lightweight and Portable Record Megaphone With Built In Microphone

Product Information

- The product is designed and manufactured by Pyle, a leading brand in audio equipment.
- It features compact dimensions of 3.86" x 6.10" -inches, making it suitable for various applications.

Product Usage Instructions

Unboxing and Setup

- When you receive the product, carefully unbox it and ensure all components are included.
- Follow the user manual for setup instructions, which may include connecting cables and power sources.

Power On/Off

- To power on the device, locate the power button and press it.
- To power off, press and hold the power button until the device shuts down.

Adjusting Settings

- Use the control panel or remote control to adjust settings such as volume, mode, and other preferences according to your needs.

Maintenance

- Regularly clean the product using a soft, dry cloth to remove dust and debris.
- Avoid using harsh chemicals or solvents that may damage the product's surface.

FAQ

- **Q:** How do I contact customer support?
- **A:** For any questions or assistance, you can reach out to our customer support team at Phone: (1) [718-535-1800](tel:718-535-1800) or Email: support@pyleusa.com.

PRECAUTIONS

- Ensure the correct polarity of cells used.
- Insert the batteries in the correct direction by aligning the (-) marks on the batteries with the spring in the back cover.
- Use new batteries/cells whenever possible.
- When the megaphone will not be in use for a long period, remove the dry cells and replace them. Drained cells or rechargeable batteries will not give sufficient sound volume.
- Replace cells or charge the battery at regular intervals, for optimum results.

OPERATING INSTRUCTIONS

- Open the back cover by pressing down on the 'Open' Button
- Insert (6) x 'AA' Batteries then close the back cover until locks into position.
- Now, your megaphone is ready for operation.
- To activate the megaphone, press the 'ON/OFF' button on the back cover.
- When using the megaphone, place your lips as close as possible to the megaphone when speaking. Adjust the 'Volume' to the desired level without causing any howling or feedback.
- Press the 'Siren' button to activate emergency siren/alarm.
- Adjust the volume control to the min. before recording.
- To record, press the RECORD button. Now your megaphone is ready for recording.
- The longest record time is about 10 seconds. Press the RECORD button again after the recording is done.
- Press the PLAY Button to activate the recorded materials circularly.

Features

- Built-in Microphone
