Q-LINK®

Q-LINK COB Motion Sensor Indoor COB LED Light

The Q-LINK Motion Sensor LED Light is designed for indoor use, featuring COB LED technology for efficient lighting. It includes a motion sensor for automatic activation.

Features

- COB LED Light
- Motion Sensor
- Double-sided adhesive pad for easy installation

Installation Instructions

Use the double-sided adhesive pad to mount the light on a clean, dry surface. Ensure the motion sensor is unobstructed for optimal performance.

Warnings

- For indoor use only. Do not use in wet or damp areas.
- Keep out of reach of children.
- Do not attempt to change the LED lamp.

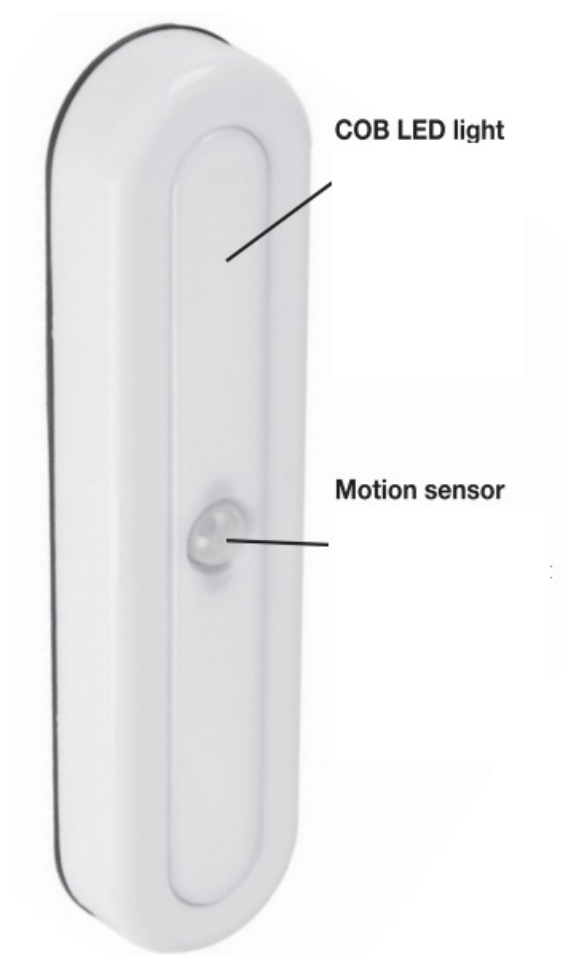

Recycling Information

This product is recyclable. Please dispose of it in accordance with local regulations.

Contact Information

For further assistance, please contact SHI B.V., Lageveld 10, 6721 W Asten, the Netherlands.

Motion sensor LED light indoor (COB)

double-sided adhesive pad
