Q-TRAN 03 RGBW Lalo Encapsulated

Product Specifications

1. Product Name: LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface
2. Encapsulation: Polyurethane
3. Indoor/Outdoor: Yes
4. Impact Resistance: IK10
5. Mounting: Surface
6. LED Strips: High quality
7. Light Output: Uniform and luminous

Product Usage Instructions

Installation

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface are designed for both indoor and outdoor installations. Follow the steps below to install the product:

1. Choose the desired mounting location and ensure it is suitable for surface installation.
2. Ensure the power supply is disconnected before starting the installation process.
3. Position the fixture on the surface and mark the locations for drilling holes.
4. Drill the holes according to the marked locations.
5. Securely attach the fixture to the surface using appropriate screws or mounting brackets.
6. Connect the wires to the input/output connectors as per your requirements (refer to the “Wire Input/Output” section for more details).
7. If necessary, attach the wire end caps to provide a neat finish (refer to the “Input End Cap” and “Output End Cap” sections for more details).
8. Once the installation is complete, connect the power supply and test the functionality of the fixture.

Wire Input/Output

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface offer various options for wire input/output configuration. Follow the guidelines below to select the appropriate configuration:

- For wire input, choose one of the following options: S1 (Single 1 – Input only), S2 (Single 2 – Input only), P1 (Pass Through 1 – Input/output), P2 (Pass Through 2 – Input/output). Consider bottom feed for continuous mounting.

- For wire output, choose one of the following options: Closed End (No feed), Bare Wire (Standard 24), Connector 6, Connector 24. Consider CLS or BW for typical selections. Request custom length by specifying the desired length next to BW (e.g., BW48).

Input/Output Connectors and Wire Type

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface are compatible with different input/output connectors and wire types.

The typical selection is BW (Bare Wire). The available options are as follows:

- Input Connector: Connector 6, Connector 24, Bare Wire (Standard 24)
- Output Connector: Connector 6, Connector 24, Bare Wire (Standard 24), Closed End (No feed)
- Wire Type: CL2 (Class 2), CL2P (Plenum Rated – only available with bare wire leads)

Input/Output End Caps

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface come with standard clear end caps. However, you can select CL (Continuous Run) for continuous installations. The end caps are available for both input and output ends.

Mounting

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface offer different mounting options to suit your needs:

- Stainless Steel Magnet
- Low Profile Magnet

Finish

The LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface come in two finish options:

- Satin
- Black

Frequently Asked Questions (FAQ)

Q: What is the warranty period for the LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface?

A: The product comes with a 5-year warranty.

Q: Can I make modifications to the product without voiding the warranty?

A: No, any field modifications will void the warranty.

Q: Are the product specifications subject to change?

A: Yes, the specifications are subject to change. Please refer to the latest revision of the user manual for the most up-to-date information.

Q: Are the LALO-ENCAPSULATED (03) RGBW Linear Fixtures – Surface compatible with Q-Tran power supplies?

A: Yes, the fixtures are compatible for use with Q-Tran power supplies.

Q: What is the impact resistance rating of the product?

CONFIGURATION OPTIONS

CONNECTOR/WIRE – IN/OUT

Connector/Wire In or Out not needed to specify product. Standard configuration is BW for Wire In and CLS for Wire out

END CAP – IN/OUT

WIRE COLOR

MOUNTING

SST

2 clips provided for 4' or less; 4 clips provided for greater than 4'

To order separately use SST-01

Each clip comes with a #4 x 5/8" Flat Head screw

MG

One MG provided per foot

To order separately use MG-01

MMA01

Sold separately, to order use

MMA-01 Each bracket comes with 2 #6 x 5/8" Flat Head SS

Required when mounting to a non-magnetic surface

M4

One M4 provided per foot.

To order separately use MG-04
