Bluetooth Alarm Clock

Dear customer,

Thank you for purchasing our product. Please read the following instructions carefully before first use and keep this user manual for future reference. Pay particular attention to the safety instructions. If you have any questions or comments about the device, please contact the customer line.

Insert Batteries

- Gently remove the battery cover from the back of the device.
- Insert two AA batteries; the device will turn on.

When placing the batteries, ensure they are inserted according to the indicated positive and negative signs in the battery compartment.

Set Time and Alarms, Change Settings

To set time and alarms or change settings on the Qingping Bluetooth Alarm Clock, use the “Qingping+” or “Mi Home / Xiaomi Home” smartphone app.

Note: When connecting to the app, ensure the Bluetooth of the mobile phone is turned on, and there are no obstacles between the mobile phone and the Qingping Bluetooth Alarm Clock. The distance between them should be less than 5 meters.

Connect to Qingping+

“Qingping+” is an app for iOS and Android. After connecting the Qingping Bluetooth Alarm Clock to the app, you can set time and alarms or change settings with the app.

Visit qingping.co/plus or scan the QR code below to download the app:

<https://qingping.co/apps/qingpingplus>

Alternatively, search “Qingping+” on the App Store or Google Play.

After installing the app, open it and add a device by selecting “Qingping Bluetooth Alarm Clock,” then follow the instructions provided by the app.

Connect to Mi Home / Xiaomi Home App

This product works with the Mi Home / Xiaomi Home app. Control your device and interact with other smart home devices using the Mi Home / Xiaomi Home app.

Stop an Alarm

- To stop a normal alarm, press down on the top of the Qingping Bluetooth Alarm Clock.
- To stop an alarm with Snooze, press down on the top of the Qingping Bluetooth Alarm Clock once to temporarily stop it, and press down twice to stop the Snooze.
- When an alarm is ringing, it will stop after 10 minutes without operation.

Turn Off All Alarms

- Press down on the top of the Qingping Bluetooth Alarm Clock and hold for 6 seconds to turn off all alarms. To restore previous alarm settings, press and hold for 6 seconds again.

Restore Factory Settings

- Open the battery compartment and remove the batteries.
- Press and hold the device while reinserting the batteries and keep pressing for 12 seconds. When all the numbers on the screen display “8”, the factory reset is complete.

Specifications

Model	CGD1
Weight	99g (batteries not included)
Size	80.3 × 41 × 83 mm
Screen Size	61 × 61 mm
Wireless Connectivity	Bluetooth 5.0
Temperature Measuring Range	-9.9 ~ 49.9°C
Humidity Measuring Range	0 ~ 99.9% RH (non-condensing environment)
Battery	2 AA Batteries
FCC ID	2AQ3F-CGD1

Attention

- Do not block the vent hole on the bottom of the product.
- This product is not waterproof or dustproof.
- Do not use in an environment with humidity greater than 90% for a long time.
- Do not throw the battery or the product with the battery into fire to avoid an explosion.

Frequently Asked Questions

Cannot add the product in the mobile app.

No content shows on the screen.

Check whether the batteries are placed correctly. If they are, replace them.

E1 shows on the screen.

The environment temperature exceeded the measuring range of the product. Please place the product in a normal indoor environment.

E2 shows on the screen.

The temperature and humidity sensor is malfunctioning.

Performance Faults

- When two AA batteries with sufficient power are correctly placed in the product, but the screen still does not display any content, or the content displayed is abnormal.
- When the specified app is correctly installed on the mobile phone, Bluetooth is on, and the distance between the mobile phone and the product is within Bluetooth transmission range, but the app still cannot connect to the product.
- The product cannot be pressed down from its top or does not bounce back after releasing.
- When the temperature and humidity in the environment are stable and within the measuring ranges, but the product still cannot correctly display the temperature and humidity readings.

Warranty Conditions

A new product purchased in the Alza.cz sales network is guaranteed for 2 years. If you need repair or other services during the warranty period, contact the product seller directly, you must provide the original proof of purchase with the date of purchase.

The following are considered to be a conflict with the warranty conditions, for which the claimed claim may not be recognized:

- Using the product for any purpose other than that for which the product is intended or failing to follow the instructions for maintenance, operation, and service of the product.
- Damage to the product by a natural disaster, the intervention of an unauthorized person or mechanically through the fault of the buyer (e.g., during transport, cleaning by inappropriate means, etc.).
- Natural wear and aging of consumables or components during use (such as batteries, etc.).
- Exposure to adverse external influences, such as sunlight and other radiation or electromagnetic fields, fluid intrusion, object intrusion, mains overvoltage, electrostatic discharge voltage (including lightning), faulty supply or input voltage and inappropriate polarity of this voltage, chemical processes such as used power supplies, etc.
- If anyone has made modifications, modifications, alterations to the design or adaptation to change or extend the functions of the product compared to the purchased design or use of non-original components.

EU Declaration of Conformity

This equipment is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU and Directive 2011/65/EU amended (EU) 2015/863.

This product must not be disposed of as normal household waste in accordance with the EU Directive on

Waste Electrical and Electronic Equipment (WEEE – 2012/19 / EU). Instead, it shall be returned to the place of purchase or handed over to a public collection point for the recyclable waste. By ensuring this product is disposed of correctly, you will help prevent potential negative consequences for the environment and human health, which could otherwise be caused by inappropriate waste handling of this product. Contact your local authority or the nearest collection point for further details. Improper disposal of this type of waste may result in fines in accordance with national regulations.
