R-Go Tools RGOARMSP R-Go Split Armrest

Product Information

- Product Name: R-Go Split Armrest
- Model: RGOARMSP
- Language: English, Deutsch, Nederlands, Polski, Italiano, Svensk

Product Overview
The R-Go Split Armrest is an ergonomic split armrest designed to provide comfort and support while working at a desk.

Setup

1. **Step A:** Assemble the armrest components.
2. **Step B:** Attach the armrest to the desk following the provided instructions.
3. **Step C:** Adjust the height and angle of the armrest to your preference.
4. **Step D:** Secure the armrest in place to ensure stability.
5. **Step E:** Double-check the setup for proper fit and comfort.

Final Product
Once properly set up, the R-Go Split Armrest provides ergonomic support for your arms while working at your desk.

Usage Instructions

To use the R-Go Split Armrest

1. Position the armrest at a comfortable height and angle.
2. Rest your arms on the armrest while typing or using the mouse.
3. Adjust the armrest as needed to maintain a natural and relaxed posture.
4. Regularly check and readjust the armrest to ensure optimal ergonomic support.
