### Box Contents

WiFi Hub

AC Adapter

Included in the Box is one WiFi Hub and one Power Adapter. Rachio accessories that connect to the HUB are available for purchase separately.

## Getting Started

Setting up your Rachio WiFi Hub is quick and easy. Just follow the instructions here and you'll be able to connect to Rachio's accessories\* in no time.

## Existing Rachio User

Already a Rachio customer? Simply Open your Rachio app and add the WiFi Hub to your account

1. From your Home Screen, tap “Devices”
2. Tap “Add Device”
3. Follow the in-app instructions to set up your WiFi Hub

### **New Rachio User**

New to Rachio? Download the Rachio app and follow the in-app instructions to set up a new account. Once your account is set up:

<https://qrco.de/bd8v7S>

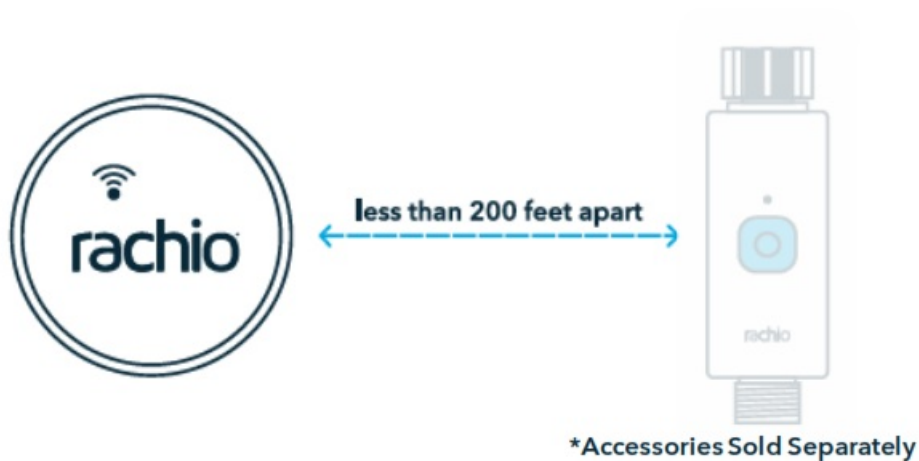

1. From your Home Screen, tap “Devices”
2. Tap “Add Device”
3. Follow the in-app instructions to set up your WiFi Hub

## WiFi Hub

The WiFi Hub brings smart features to all your Rachio Accessories\*

It is important that the Hub is:

- a) Installed indoors
- b) Less than 200 feet from a Rachio Accessory

## Pair WiFi Hub

Follow the in-app instruction to power on your WiFi Hub and onboard it with the Rachio app.

## Need Help?

If you encounter any issues setting up your Rachio Smart Hose Timer, email our customer support team and we'll get you up and running: [support@rachio.com](mailto:support@rachio.com)

## Limited Warranty

### LIMITED WARRANTY

Rachio warrants that the Product will be free from material defects in materials and workmanship for a period of two (2) years » one (1) year for factory refurbished Products – from the date of purchase from Rachio or an authorized Rachio dealer. Rachio will repair or replace, free of charge, any product deemed defective with a product of the same or equivalent model. Rachio expressly disclaims any other warranties or responsibilities. The full terms of the limited warranty are set forth at [www.rachio.com/warranty](http://www.rachio.com/warranty).

DO NOT USE YOUR PRODUCT UNTIL YOU HAVE READ THE TERMS OF THE WARRANTY. IF YOU DO NOT AGREE TO THE TERMS OF THE WARRANTY, DO NOT USE THE PRODUCT AND RETURN IT WITHIN 30 DAYS OF PURCHASE TO RACHIO FOR A REFUND.

### PRIVACY

We're committed to being open and honest about how we use data. We will always ask for permission before sharing personally identifiable information like your email address, and we keep your data safe with the same security tools banks use. Learn more about our Privacy Policy at [www.rachio.com/privacy](http://www.rachio.com/privacy).

### FCC Compliance Statement (Rachio's WiFi Hub – Model: HUB101)

Contains FCC ID: 2AHMR-ESP12F

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**CAUTION:** The grantee is not responsible for any changes or modifications not expressly approved by the party responsible for compliance. Such modifications could void the user's authority to operate the equipment.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- ~ Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- ~ Consult the dealer or an experienced radio/TV technician for help.

### RF exposure statement

This equipment complies with the FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.

Canadian Compliance Statement (Rachio's WiFi Hub – Model: HUB101)

Contains IC: 23236-ESP12F

This device contains license-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada license-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

### RF exposure statement

This equipment meets the exemption from the routine evaluation limits in section 2.5 of RSS-102. It should be installed and operated with a minimum distance of 20cm between the radiator and any part of your body.
