Product Usage Instructions

To install the Howling Moon RB-REF-014D awning/accessory, follow these steps:

1. Ensure you have the required hitches for fast on and fast off installation. The minimum number of mounting points required is 2.
2. If you prefer or already have 3 mounting points on your vehicle, the awning/accessory can also work with the triple versions of the hitch models.
3. If using HD hitches, make sure they are fitted to 2 of the 3 available mounting tracks.
4. If using bar-style or platform-style mounting, brackets are optional. For bar-style mounting, you will need 2 brackets. For platform-style mounting with no perimeter lip, you will also need 2 brackets.
5. If you prefer or already have 3 mounting points on your vehicle, the awning/accessory can also work with the triple versions of the hitch models.
6. If you want to fix the awning/accessory to a wall when not in use, wall mounts are optional. This allows you to remove the roof rack accessory from your vehicle and secure it to a wall.
7. Choose a secured location such as locked garages or workshop walls if you want to ensure maximum security for your awning/accessory.
8. If a secured location is not available, you can use open carports or public/shared garage areas as an unsecured location.
