radioshack 2607173 Foldable Keyboard with Touchpad

Specifications

- Model: VDXWKRULW
- Power: 110-240V
- Frequency: 50-60Hz
- Dimensions: 10 x 5 x 3 inches
- Weight: 2 lbs

Product Usage Instructions

Unpacking and Setup:

When you receive your VDXWKRULW, carefully unpack all components and ensure everything is included as per the packing list.

Power Connection:

Plug the power cord into a suitable power outlet within the specified voltage range (110-240V, 50-60Hz).

Functionality:

This product is designed to enhance efficiency in completing tasks. Refer to the user manual for specific functions and operation details.

Maintenance:

Regularly clean the product with a soft, dry cloth to prevent dust accumulation. Avoid using harsh chemicals for cleaning.

Troubleshooting:

If you encounter any issues with the product, refer to the troubleshooting section in the user manual or contact our customer support for assistance.

- Thank you for choosing the Radio Shack Foldable Keyboard with Touchpad 2607173! We appreciate your purchase and are excited for you to experience quality. To maximize the usage of the device, please read the following instructions carefully and keep this guide for future reference to enhance your experience.

Product Overview

- The Radio Shack Foldable Keyboard with Touchpad 2607173 offers multi-channel wireless connectivity, making it convenient for both office and home use.

Getting Started

Charging Your Keyboard:

- Before first use, fully charge your keyboard by connecting the provided cable to the device and plugging it into a power source. A green indicator lights up during charging and turns off when fully charged.

Maintenance and Care:

- To maintain optimal performance, avoid exposing the keyboard to extreme temperatures, moisture, or direct sunlight. Clean it with a soft, dry cloth to preserve its appearance.

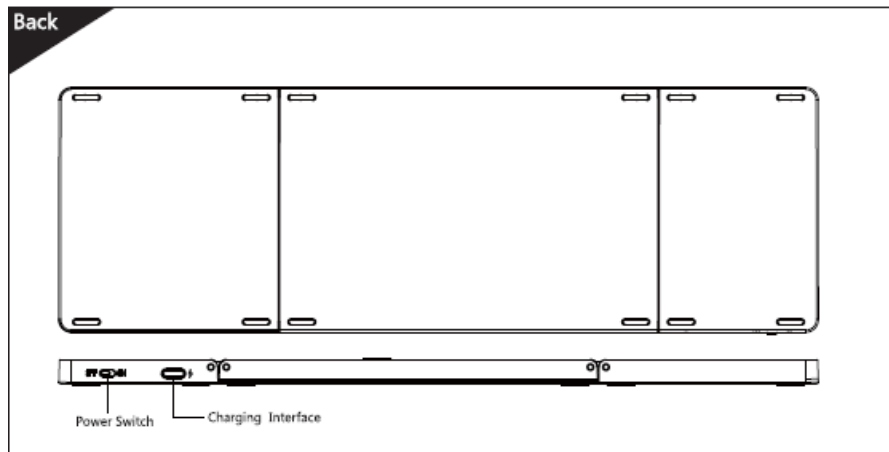

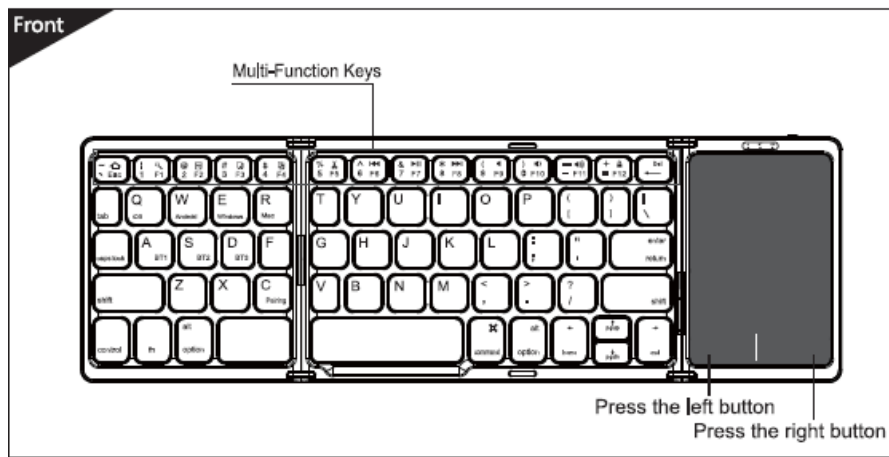

Warranty and Support:

- A warranty covers your Radio Shack BT Foldable Keyboard with Touchpad for defects in materials and workmanship. For assistance, please get in touch with our customer support team or visit our website at <https://www.ra-dioshack.com/>.
- We hope you enjoy your Radio Shack BT Foldable Keyboard with Touchpad.
- Explore its portability, quality, and convenience, and feel free to reach out with any questions or for further assistance.

Maintenance:

1. Keep the keyboard away from liquids and humid environments, such as saunas or swimming pools.
2. Avoid exposing the keyboard to extreme temperatures.
3. Do not place the keyboard in direct sunlight for extended periods.
4. Keep the keyboard away from flames, like stoves or candles.
5. Prevent sharp objects from scratching the keyboard; recharge it regularly for normal use.

Fcc

FCC Statement:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, under part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This

Equipment generates, uses, and can radiate radio frequency energy and, if not installed and used under the instructions, may cause harmful interference to radio communications. However, there is no guarantee that television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Frequently Asked Questions

The tablet or PC can't connect to the BT keyboard.?

Ensure the BT keyboard is in pairing mode and check Bluetooth on the tablet. Verify the keyboard battery is charged; a low battery can interrupt the connection

Why is the keyboard indication light always flashing?

A flashing light indicates a low battery; charge it immediately.

Why does the tablet or PC display that the BT keyboard is disconnected?

The keyboard enters sleep mode after inactivity to save power. Press any key to wake it up and restore the Bluetooth connection. Contact after-sales service for more assistance.

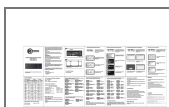

How do I reset the product to factory settings?

A: To reset the product, locate the reset button on the back panel and hold it down for 10 seconds until the indicator lights flash

Can I use this product with an external power adapter?

A: No, this product is designed to be used with the provided power cord and should not be connected to an external power adapter.
