## RAM MOUNTS RMR-INS-BM-L1 Xbox Adaptive Controller

## Product Information

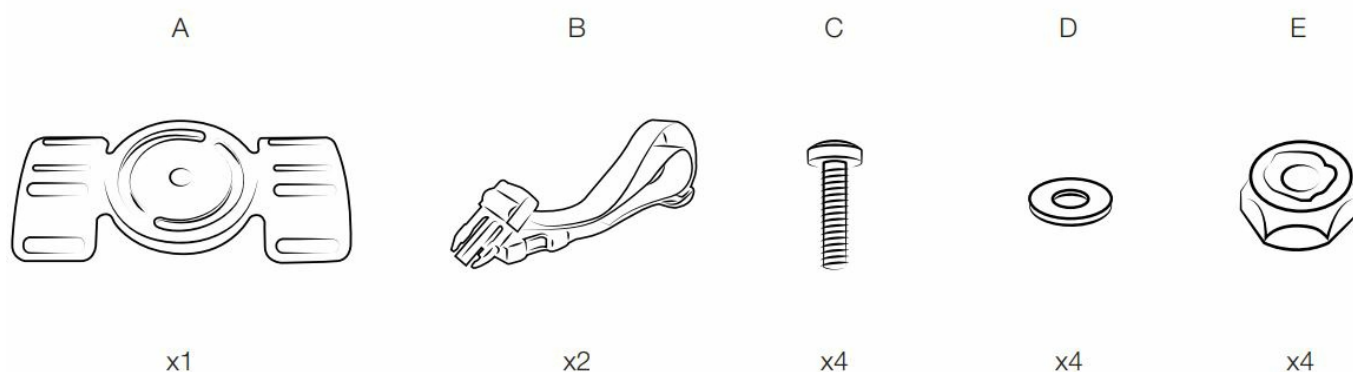

This product is a RAM Body Mount Base that comes with Buckle Straps. It is manufactured by National Products, Inc and is available for purchase on [rammount.com](http://rammount.com). The product can be used to mount various devices or accessories on a vehicle body.

## Product Usage Instructions

1. Remove the male buckle from the Buckle Strap (B) and route it through the slots of the Body Mount Base (A) as shown in the diagram.
2. Re-route the Buckle Strap (B) through the male buckle as shown.
3. Repeat steps 1 and 2 for the second Buckle Strap (B).
4. Route any excess strap back through the slots of the Body Mount Base (A).
5. Attach the device or accessory to the Buckle Straps using the appropriate attachment mechanism.

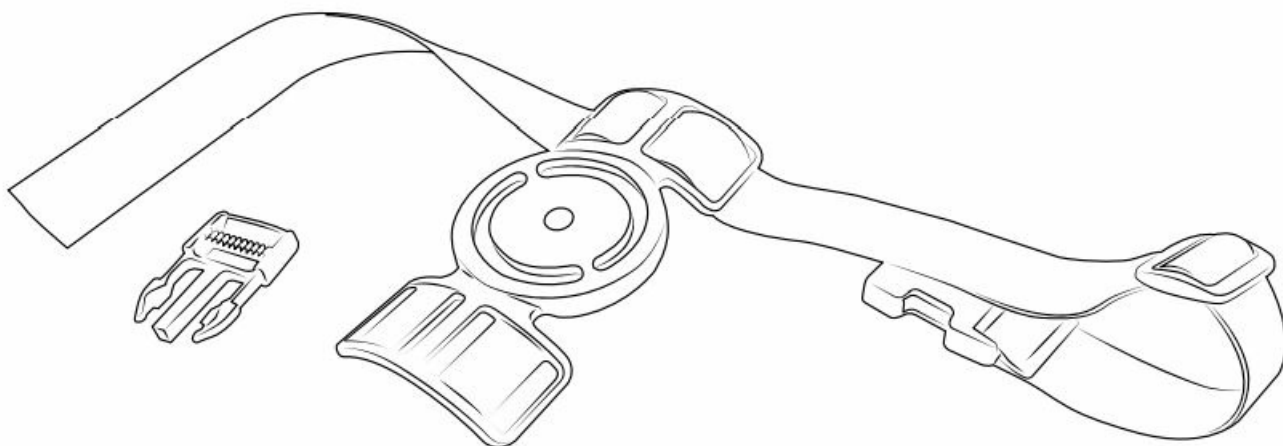

**Note:** Do not install this product near or over an airbag deployment area or in a location that obstructs the driver's vision or interferes with vehicle operation. National Products, Inc does not assume responsibility or liability for any such personal injury, death, or property damage. For more mounting options, please visit [rammount.com](http://rammount.com).

## WHAT'S IN THE BOX

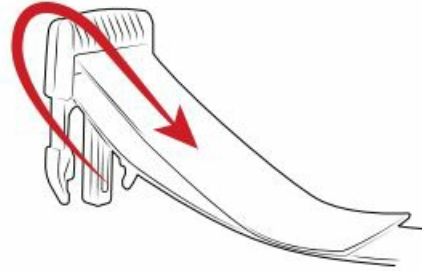

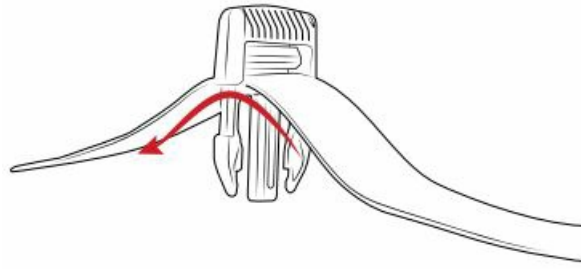

## INSTALLATION INSTRUCTION

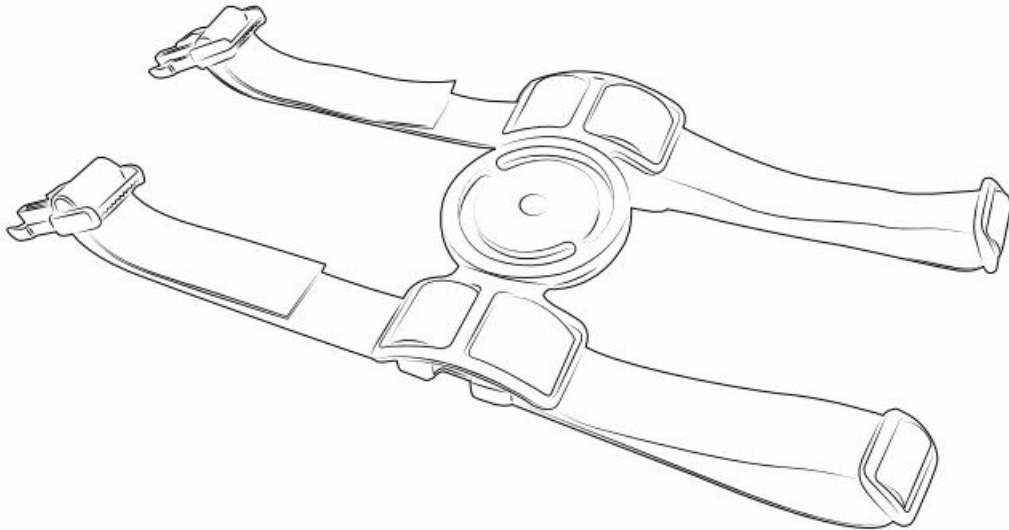

1. Remove male buckle from (B) Buckle Strap, and route through slots of (A) Body Mount Base as shown.

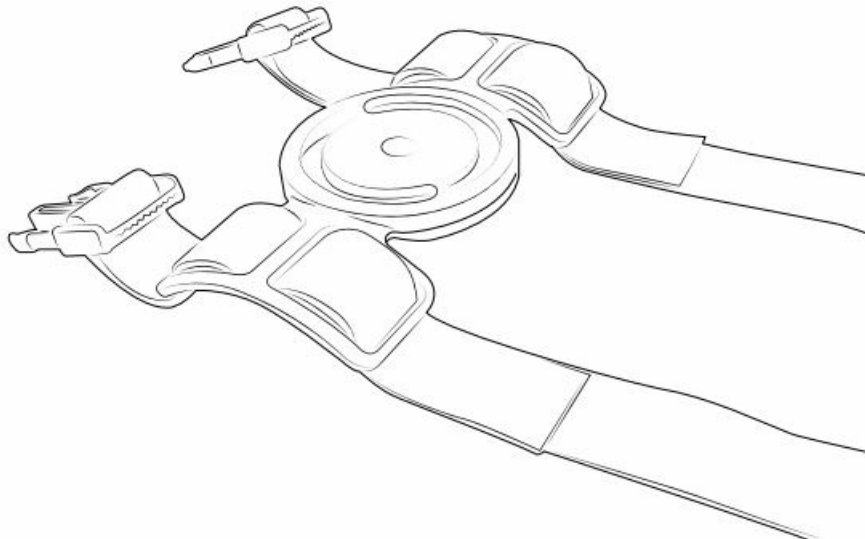

2. Re-route (B) Buckle Strap through the male buckle as shown.

3. Repeat for second (B) Buckle Strap.

4. Route any excess strap back through the (A) Body Mount Base slots.

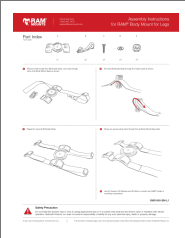

5. Use (C) Screws, (D) Washers and (E) Nuts to connect any RAM® holder or mounting components.

## Safety Precaution

Do not install this product near or over an airbag deployment area or in a location that obstructs the driver's vision or interferes with vehicle operation. National Products, Inc does not assume responsibility or liability for any such personal injury, death or property damage.
