## rapoo 8810ME Multi-Mode Wireless Optical Combo Set

## Features

- Multi-mode wireless connection

- Instant switch among multiple devices

- Adjustable 1600 DPI HD sensor

- Up 9 months of battery life

## Product Overview

This wireless combo, comprising a keyboard and optical mouse, transmits using Rapoo's multi-mode wireless connection – via reliable 2.4 GHz wireless transmission or Bluetooth 5.0 – enabling you to connect simultaneously to multiple devices and switch (pair automatically) among them. In addition to its sleek comfortable design, the keyboard features multimedia keys for quick access and convenience. The mouse in this set boasts a fully adjustable 1600 DPI sensor for complete flexibility and accurate control, while its ergonomic shape makes it ideal for use both in the office and at home.

### Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 5.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of a receiver.

### Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 8810ME automatically pairs the working device. It simultaneously connects to up to 3 devices (two via Bluetooth and one via 2.4GHz), and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

### **Adjustable 1600 DPI HD sensor**

As sensitive as you want: The mouse's optical HD sensor resolution can be toggled between 800 DPI (for maximum precision) and 1600 DPI (for maximum speed) at the press of a button.

### **Up to 9 months battery life**

Low energy consumption: Rapoo's energy-saving technologies, combined with the on/off switch, means you can use this mouse continuously for up to 9 months.

### **Specifications**

- Multi-mode wireless connection:
- 2.4 GHz, Bluetooth 5.0
- Fn multimedia buttons
- 6 mouse buttons incl. a 2D scroll wheel 1600 DPI optical mouse
- Includes 3 AA batteries
- Up to 9 months battery life
- Nano USB receiver
- Nano USB receiver storage compartment

### **Package Contents**

Wireless keyboard, wireless mouse, Nano USB receiver, 3 AA alkaline batteries (installed), Quick Start Guide

### **System Requirements**

- Windows® XP/Vista/7/8/10/11,
- Mac OS X 10.4 or later, USB port
- Product Dimensions & Weight
- Dimensions keyboard: 456×230×51 mm
- Weight: 882 g
- Dimensions mouse: 111×84×67 mm
- Weight mouse: 89 g

## FAQ

- **Q: How do I know if the device is connected via Bluetooth or 2.4GHz?**
  - A: The status LED on the device will indicate the connection type. A solid blue light indicates a Bluetooth connection, while a solid green light indicates a 2.4 GHz connection.
- **Q: Can I customize the functions of the multimedia keys?**
  - A: Yes, you can customize the multimedia keys using the provided software available on the manufacturer's website.
- **Q: How do I store the Nano USB receiver when not in use?**
  - A: The Nano USB receiver can be stored in the dedicated compartment on the mouse or keyboard for safekeeping when not in use.
