## Mouse

1. Type-C interface
2. Bluetooth button
3. ON/OFF switch
4. DPI button
5. Scroll wheel
6. Wireless Charging

\* (Windows only)

## Instructions

Getting started: We recommend to charge the battery fully before first use.

### 2.4 GHz mode

1. Plug the included USB receiver into a USB port on your computer.
2. Turn on the keyboard and the mouse 2.4GHz mode should be active automatically. If not, please follow these

steps:

**Keyboard:** Press Fn+4 to activate 2.4GHz mode.

**Mouse:** Press the Device switching button shortly until 2.4GHz mode is active (no Device light active).

## **Bluetooth mode**

### **Keyboard**

1. Turn on the keyboard.
2. Press and hold key combinations, Fn+1, Fn+2 or Fn+3 at least 3 seconds to pair 3 different devices via Bluetooth. The Status LED flashes blue slowly and the keyboard is discoverable for 120 seconds.
3. Complete "Bluetooth pairing" on your device. When the keyboard and your device are paired, the Status LED turns off.

### **Mouse**

1. Turn on the mouse.
2. Press and hold the Bluetooth button for more than 3 seconds. The white light flashes slowly and the mouse is discoverable for 2 minutes.
3. Follow the instructions below to complete Bluetooth pairing on your device. The indicator light will turn off when the connection is successful.

## **Bluetooth pairing**

1. Open the Bluetooth settings on your device.
2. Select the keyboard or mouse from the list. Mouse: RAPOO 3.0MS / RAPOO 5.0MS Keyboard: RAPOO 3.0KB / RAPOO 5.0KB
3. Click Pair and follow any other instructions that may appear on the screen.

## **Switching among paired devices**

### **Keyboard**

Press key combinations Fn+1, Fn+2, Fn+3 or Fn+4 to switch among paired devices. You can connect the keyboard with up to 4 devices at the same time. (3 devices via Bluetooth, 1 device via USB 2.4 GHz receiver)

### **Mouse**

Briefly press the Bluetooth button to switch between up to 3 paired devices. You can connect 2 devices via Bluetooth and 1 device via a 2.4 GHz receiver (USB dongle).

## **Low battery**

### **Keyboard**

If status LED flashes constantly, it means the battery power is low. Please recharge the battery by using the cable included.

### **Mouse**

While you are using the mouse, the white light flashes rapidly twice every two seconds. To charge the battery, please use the supplied cable or place the mouse centrally on a wireless charger (not included).

## **Warranty conditions**

This device is covered by a 2-year limited hardware warranty from the date of purchase. For more information,

please visit [www.rapoo-eu.com](http://www.rapoo-eu.com).

## Troubleshooting

1. Sleep mode: When not using the device for some time it will fall into a sleep mode to save battery. You can press any key to wake it up again for further use.
2. If you are connecting via Bluetooth and you maybe have issues with missing letters while typing, please connect again while using the alternative second Bluetooth Option to pair (BT3.0 or BT5.0).
3. If you need more information, please visit [www.rapoo-eu.com](http://www.rapoo-eu.com).  
There you will find our FAQs. You can also download the latest drivers and User manuals for our products there.

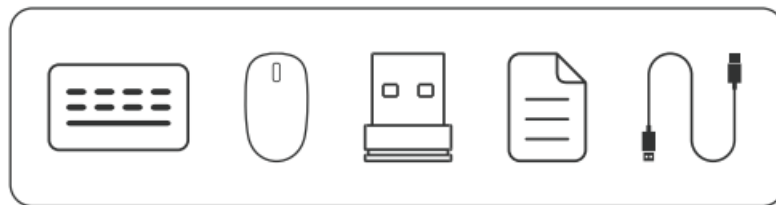

## System requirements

Windows 7/8/10/11, Mac OS X 10.4 or later, USB port

## Safety instructions

1. Never attempt to open the device or repair it yourself.
2. Do not use the device in a humid environment.
3. Please clean the device with a soft, dry cloth.
