rapoo M200 Silent Wireless Multi-Mode Optical Mouse

- Multi-mode wireless connection
- Instant switch among multiple devices
- Adjustable 1300 DPI sensor
- Silent click
- Up to 9 months battery life

Thanks to its symmetrical elegant design, M200 Silent is the perfect ergonomic fit for both right- and left-handed use. The rubberized grips on the sides ensure you have total control, even in hectic situations. The new multi-mode wireless technology from Rapoo – combining connections via a reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0

Bluetooth 4.0. (Smart) – allows you to connect M200 Silent simultaneously to up to 3 devices and change (pair automatically) among them. Navigation is made easy thanks to the adjustable 1300 DPI sensor. To top it off, the battery lasts for up to 9 months.

Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, Bluetooth 4.0 (Smart/ BLE) and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your mouse regardless of USB port shortage or the loss of receiver.

Instant switch among 3 connected devices in one click (Automatic pairing)

Connect to all your devices: M200 Silent automatically pairs the working device. It simultaneously connects to up to 3 devices, and easily switches among them. It simplifies activities across devices and meets multi-tasking requirements.

Adjustable 1300 DPI HD sensor

Enjoy total control: with the adjustable DPI sensor, accuracy is no longer left to chance. Adjustable to fit different needs, you can adapt it to match your preference.

The sound of silence

Click all you want: The silent mouse switches allow you to use your mouse freely without disturbing others. This mouse is perfect for late night projects at home, use at public places and while traveling.
