Install driver

M+ Cross-device transmission function

Warranty conditions

This device is covered by a 2-year limited hardware warranty from the date of purchase.

Disposal of Packaging Materials

The packaging materials have been selected for their environmental friendliness and are recyclable. Dispose of packaging materials that are no longer needed by applicable local regulations.

Disposal of Batteries

Used batteries may not be disposed of in normal household waste. All consumers are required by law to dispose

of batteries at a collection point provided by their local community or at a retail store. The purpose of this obligation is to ensure that batteries are disposed of in a non-polluting manner. Only dispose of batteries when they are fully discharged. Cover the poles of partially discharged batteries with tape to prevent short circuits.
