Product Description

System Requirements

USB-C port (PD & DP Alt Mode), USB-C PD charger & cable Compatible with all major operating systems

For USB Power Delivery (PD), your notebook, cable and charger have to support USB PD. When the total current required by connected devices exceeds the current supplied by your notebook's USB-C port, please connect a USB PD charger before plugging in these devices. USB-C port on the host device must support USB-C DP Alternate Mode (DP 1.4). Not all operating systems have standard MST (Multi Screen Transport) support, please check the details of your operating system. Please note that Mac computers utilizing the M1 chip can only extend to one additional display.

Please check www.rapoo-eu.com for more information
2-Year limited hardware warranty
