Instructions

Fn+Z : enter the pairing status

1. Hold the power button for more than 3 seconds to boot.
2. Finish Bluetooth pairing on your device.

Bluetooth pairing

IOS 13

1. Turn on and unlock iPad, and click on the ""Settings"" icon.
2. Click on ""Bluetooth"" menu in the In the Settings menu and select ""Control Panel"" > ""Add Device.""
3. Turn the Bluetooth on, then iPad will automatically search for Bluetooth keyboard devices.
4. Select ""RAPOO BT5.0 KB"" in the list and click on it, then the Bluetooth keyboard will be connected automatically.
5. After the Bluetooth is successfully connected, the pairing indicator will be off and the device will be displayed as ""connected"" in the Bluetooth device list

Booting, shutdown, Bluetooth pairing indication

1. Hold the power button for 3 seconds, and the blue indicator light is on for 3 seconds and off after the

connection is finished.

2. Hold the shutdown button for 3 seconds, and the blue indicator light flashes 3 times before shutdown.

- **Letter case indication**

The blue indicator light is on when the keyboard is in the capital letter status.

- **Low power indication**

The blue indicator light is on when the keyboard is in the capital letter status.

- **Energy-saving hibernate mode**

Without any operation for 15min, the keyboard will enter the hibernation mode automatically, and all LEDs will be off; to use the keyboard, press any key and wait for about 3s, then the keyboard will be woken up and connected to Bluetooth automatically, thus it will work normally.

Troubleshooting

1. Make sure that the power is turned on.
2. Make sure that the keyboard is within the operable range.
3. Make sure that the battery is with sufficient power.
4. Make sure that the Bluetooth setting of iPad is turned on.
5. Make sure that the wireless keyboard and Bluetooth are connected.

Attention

After ios is upgraded to 10, the CapsLock key on the Bluetooth keyboard will be switched to the Latin keyboard by default, resulting in incapability of case shifts. Conduct the following settings to restore normal functions.

1. Firstly, connect to the Bluetooth
2. Then, you will see a physical keyboard in Settings->General.
3. Click it, then you will see the "CapsLock key to switch to Latin keyboard" is on. Please turn it off.

Rubber parts		OO	O	O	O	O	O	O	O	O

Note 1: “Exceeding 0.1 wt %” and “exceeding 0.01 wt %” indicate that the percentage content of the restricted substance exceeds the reference percentage value of presence condition:

Note 2: “O” indicates that the percentage content of the restricted substance does not exceed the percentage of reference value of presence.

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures :

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

Made in China

Safety instructions

Do not open or repair this device. Do not use the device in a damp environment. Clean the device with a dry cloth.

Warranty

The device is provided with one-year limited hardware warranty from the purchase day. Please see www.rapoo.com for more information.
