# RavenScanner

**Original  
2ND GENERATION**

**Quick Start Guide  
Getting started with Raven Scanner**

**Claim Your FREE Product – visit [Raven.com/freeproduct](https://Raven.com/freeproduct)**

**Power on and get connected via Ethernet cable, or your preferred wireless network.**

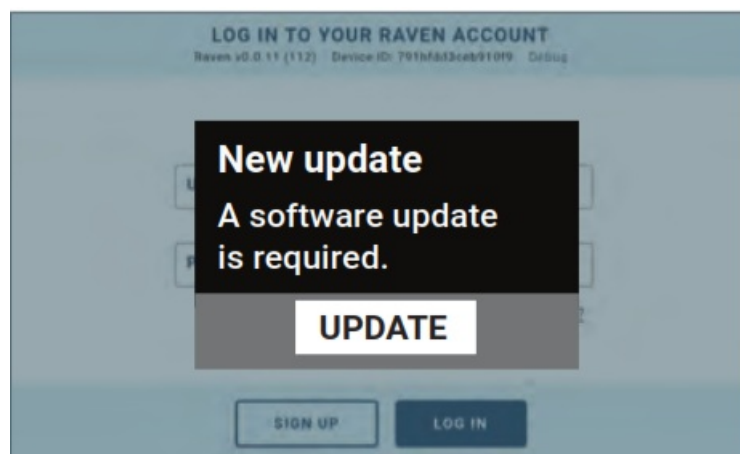

1. Connect to an available wireless network, or connect via ethernet cable.

2. "Join Other" if your network is not listed to enter manually.

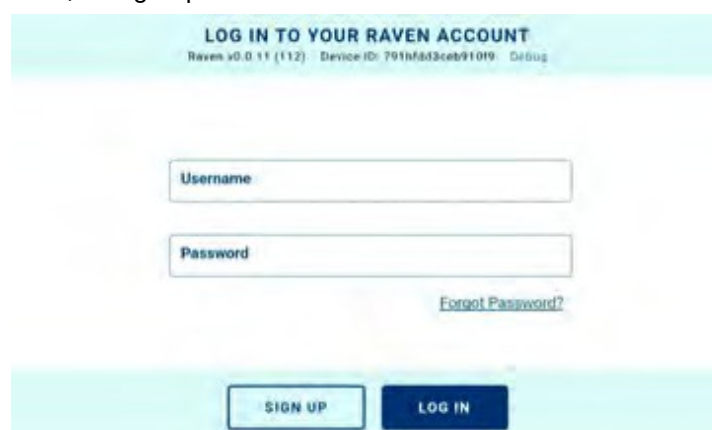

3. If an update is required, choose "Update" then "Install", "Install Manually" or "OK" when prompted.

**Sign in to your Raven account, or sign up for free if you don't already have an account.**

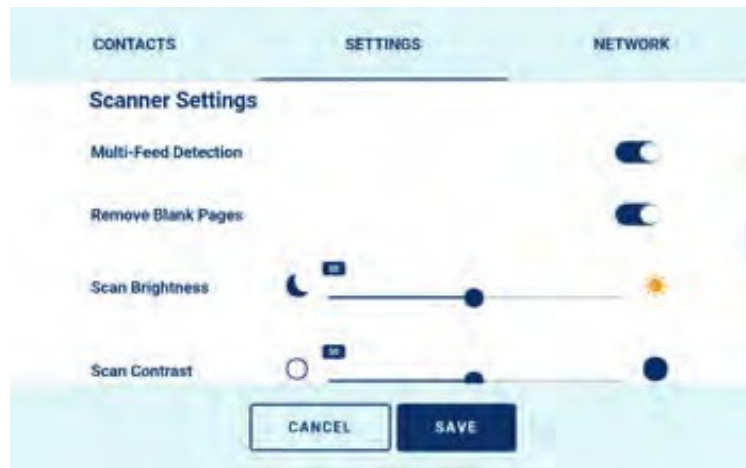

1. Sign in to your Raven account, or sign up for a free account.

2. The welcome screen shows scan options and access to the settings menu.

3. Settings allow for making changes to the scanner and network.

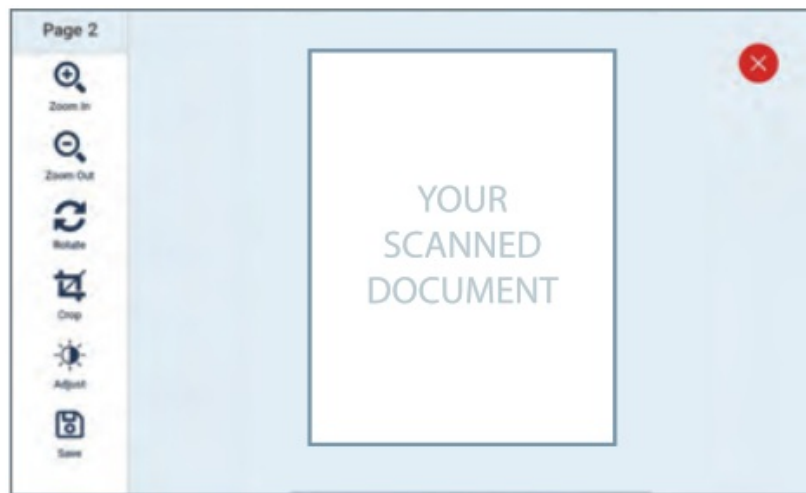

**Scan preview shows scanned pages and allows you to change the scanned file destination.**

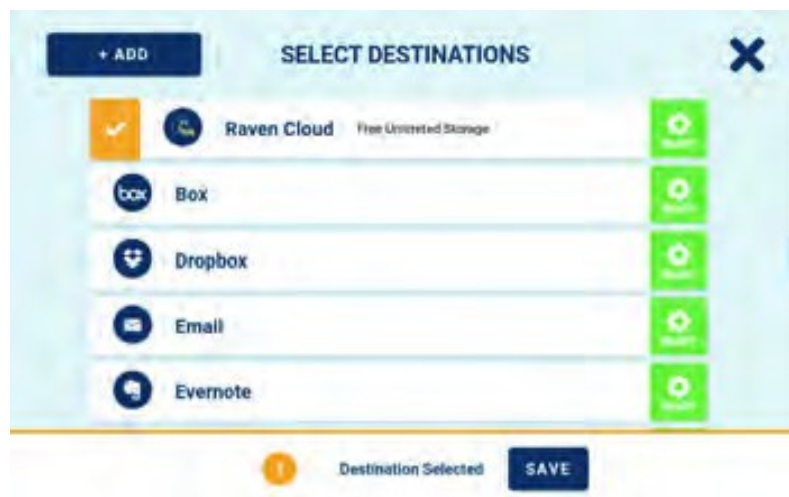

1. On the scan preview screen, you can remove or reorder pages, select combined or single output files, or name the document.

2. You can edit individual pages by clicking on preview thumbnails.

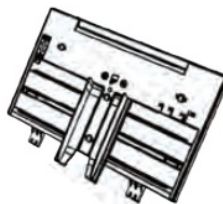

3. Set up destination connections at [app.Raven.com/connect](https://app.Raven.com/connect).

## WHAT'S IN THE BOX

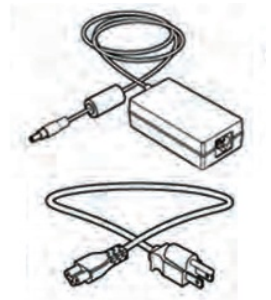

Scanner Main Unit

Paper Tray

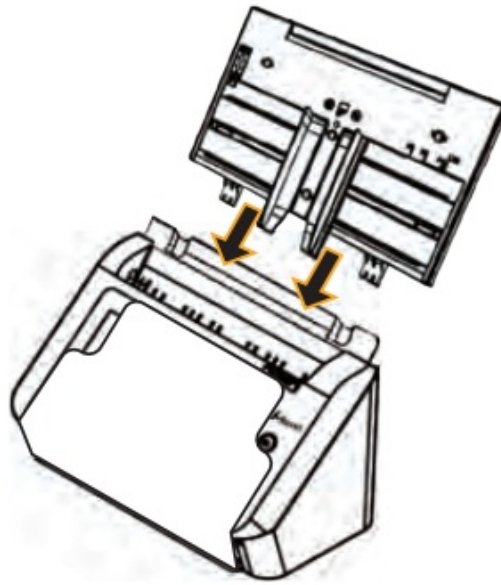

Ethernet Cable

Power Adapter  
& Power Cable

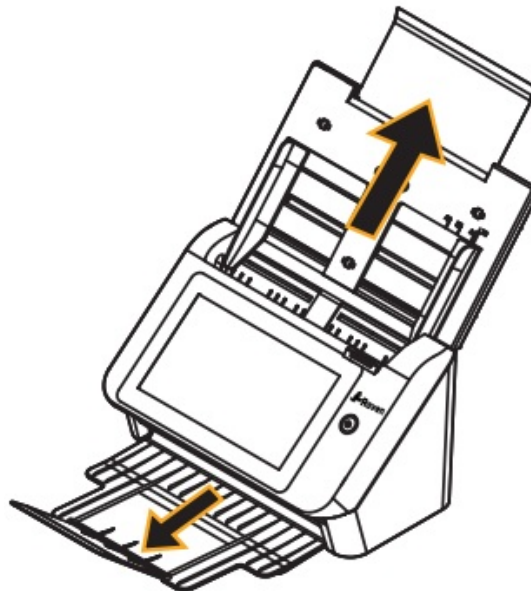

## SET UP THE SCANNER

1. Hold the ADF Paper Tray and firmly insert the two pins into the holes on the top of the scanner as shown until securely locked into place.

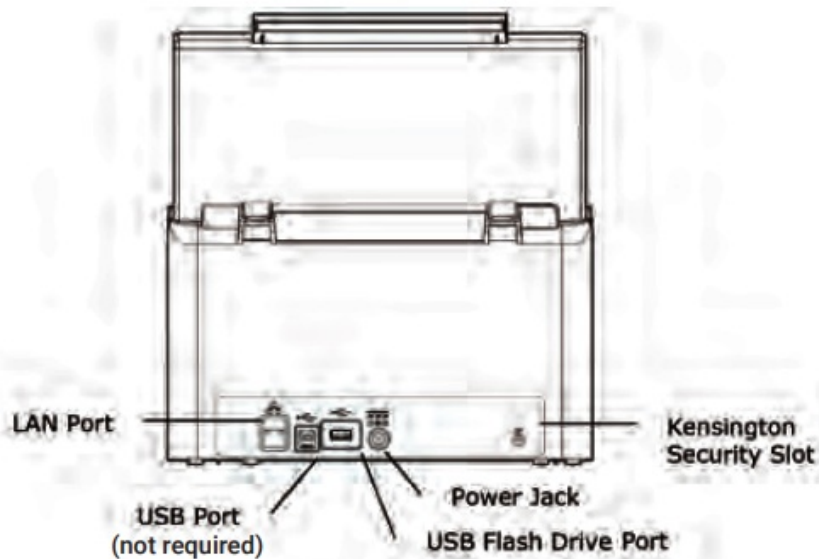

2. Pull out the feeder tray extension from the top of the scanner.

Unfold the Output Tray from the front of the scanner and raise the flap to fully extend.

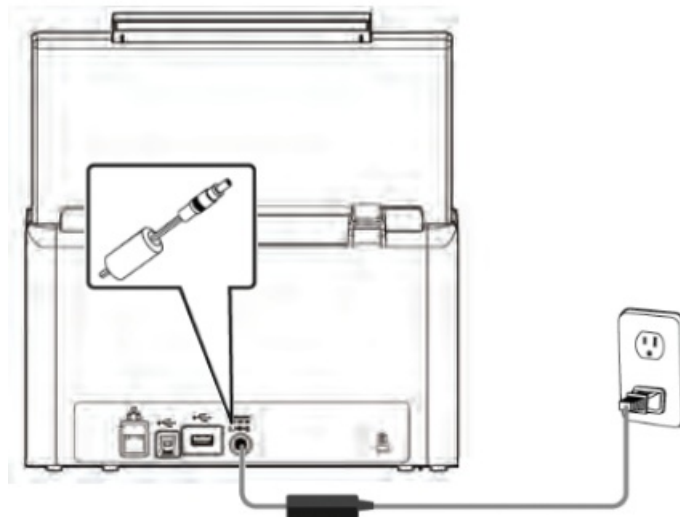

## CONNECT TO POWER AND INTERNET

1. Connect one end of your Ethernet LAN cable to an available port of your Ethernet Hub and connect the other end to the port marked ☐ at the back of the product, or choose your WiFi network when prompted on the screen.

2. Connect one end of the power cable to the power receptacle of the product. Connect the other end to an appropriate power outlet. Turn on by pressing the power button.
