RECUTMS

RECUTMS Monstera Leaf String Lights

INTRODUCTION

The ideal tropical-themed décor for bringing a lively touch to your house or outdoor area are the RECUTMS Monstera Leaf String Lights. This set, which costs **\$18.99**, comes with two packs of string lights, each 10 feet long and featuring 20 warm white Monstera leaf-shaped lights. The artificial palm leaves are perfect for parties with a beach, Hawaiian luau, or jungle safari theme since they bring the beauty of nature into any space. These lights may be used anywhere without bothering about outlets because they run on three AA batteries, which are not included. To fit the mood of your event or décor, you can alternate between constant and flashing light settings. These lights, which are made by RECUTMS, give your decorations a distinctive, environmentally friendly feel and are ideal for Easter, weddings, birthdays, and other seasonal occasions.

WHAT'S IN THE BOX

- 2 PCS Monstera Leaf String Lights
- User Manual

FEATURES

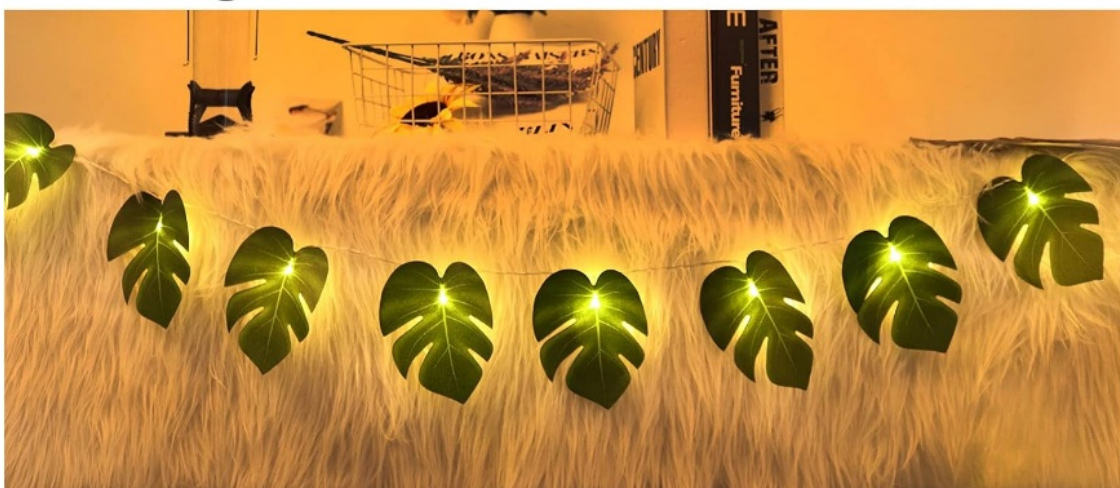

- **Tropical Design:** The imitation Monstera palm leaves on the string lights provide a lush, tropical atmosphere that is ideal for events with a Hawaiian theme or for summertime.
- **Warm White LED Lights:** The string lights' warm white LED bulbs provide a gentle, comforting glow that adds a welcoming feel to any environment.
- **Battery-Powered:** These lights run on three AA batteries (not included), providing you with ease and flexibility without requiring an outlet plug.
- **Sturdy Materials:** Constructed from premium materials, the Monstera leaves and LED lights are intended to last for many uses.
- **Two Lighting Settings:** Select between twinkling and steady light settings to create the ideal atmosphere for various occasions or get-togethers.
- **Ideal for Both Internal and Outdoor Use:** These lights are perfect for adorning outdoor areas like patios or gardens as well as internal places like living rooms or bedrooms.
- **Versatile Decoration:** Adds a playful tropical touch to a variety of events, including Easter, birthdays,

weddings, engagements, Earth Day, and more.

- **Length of String:** At 10 feet (3 meters), the string is long enough to drape around furniture or across mantels, walls, and fences.
- **Twenty Leaf Decorations:** Twenty Monstera palm leaves, each measuring 5.5 by 4.7 inches, are arranged thoughtfully along the string to produce a realistic, leafy impression.
- **Energy-Efficient:** Because LED bulbs use less power from the batteries, they provide a long-lasting light show without requiring frequent battery changes.
- **Easy to Use:** No complex wiring or setup is needed, and the battery box has a straightforward on/off button for simple operation.
- **Lightweight and Portable:** The lights are portable for many settings and occasions because they are lightweight and simple to hang.
- **Reusable:** The Monstera Leaf String Lights are an affordable and environmentally friendly decoration option because they are made to be reused.
- **All Environments Can Feel Safe:** Suitable for bedrooms, living rooms, patios, and even bathrooms, this product is safe to use in both dry and humid conditions.
- **Ideal for Parties with a Tropical Theme:** These lights bring the beauty of nature into your celebration, making them ideal for beach, luau, jungle safari, or tropical-themed events.

Don't turn on the light and turn on
the light of the circumstances

SETUP GUIDE

- **Unpack the Item:** Gently take the Monstera Leaf String Lights out of the box. Verify that every component is in place.
- **Put Batteries In:** Take off the light string's battery container and put in three AA batteries (not included). Make sure the battery is positioned correctly.
- **Position the String:** Choose the area (such as a wall, fence, or furniture) where you wish to hang or show the string lights.
- **Check Light Modes:** Use the battery box's on/off button to turn on the lights. To create the lighting effect you want, select between the steady and flashing modes.
- **Arrange the Leaves:** To guarantee a uniform and attractive distribution, arrange the 20 Monstera leaves along the string.
- **Secure the Battery Box:** Put the battery box somewhere it won't be seen but is still easily accessible, like behind furniture or beneath decorations.
- **Test the Lighting:** To see how brilliant and effective the glow is, turn on the string lights. Verify that the two lighting modes are operating as intended.
- **Hang the String Lights:** If you want to use the lights as wall or ceiling décor, fasten the string at the appropriate height and shape using hooks or adhesive strips.
- **Add Complementary Décor:** For a unified effect, pair the Monstera Leaf String Lights with other flower or tropical-themed decorations.
- **Hang on Fencing or Outdoor Space:** If using lights outdoors, make sure they are firmly and unobstructedly placed on patios, balconies, or fences.
- **Adjust the Length:** Make any necessary adjustments to the string's positioning to ensure that the leaves are evenly displayed along its whole length.
- **Decorate for Particular Occasions:** You can use the string lights to adorn birthdays, weddings, or holiday gatherings. For a festive look, place them around the dining table or doorway.
- **Set the Mood:** For a lively, entertaining show, switch to twinkle mode; for a serene, ambient light, go to steady mode.
- **Use as a Centerpiece:** To create a tropical centerpiece for tables or worktops, arrange the lights in a vase or other container.
- **Turn Off When Not in Use:** Especially during non-party seasons, turn off the string lights when not in use to conserve battery life.

CARE & MAINTENANCE

- **Switch Off When Not in Use:** To save battery life and avoid needless wear, always switch off the lights when not in use.
- **Keep in a Dry Place:** To keep the lights safe from dust and moisture, keep them in a cool, dry location when not in use.
- **Clean the Leaves Often:** To maintain the artificial Monstera leaves' new appearance, dust them with a gentle cloth once in a while.
- **Examine the Battery Box:** Replace the batteries as necessary and periodically inspect the battery box for indications of corrosion or damage.
- **Change Batteries:** When the lights begin to dim or stop working correctly, change the three AA batteries.
- **Use a Soft Cloth to Clean:** Use a soft, moist cloth to clean the Monstera leaves. Steer clear of harsh chemicals that might harm the material.

- **Stay Out of the Water:** Unless the lights are designed for outdoor usage, do not immerse them in water or use them in damp areas.
- **Examine for Damage:** Check the light string frequently for any signs of damage, such as frayed wires, broken lights, or loose leaves.
- **Avoid Overloading the Battery Box:** Using batteries with higher power ratings than advised could cause the device to overheat.
- **Keep for Seasonal Use:** To prevent tangling or damage, keep the lights in a protective box if they will only be used during particular holidays or occasions.
- **Verify Light Connections:** Make sure the lights are firmly attached to the cables. To preserve performance, any loose connections should be tightened.
- **Pets Should Not Be Near Lights:** Pets could gnaw on the wires or harm the foliage.
- **Avoid Heavy Buildup:** To avoid damaging the leaves or LED bulbs, be sure that no heavy objects fall on the string when hanging the lights outside.
- **Modify the Lights Occasionally:** To prevent tangling or clumping, periodically reposition the string and leaves.
- **Avoid Direct Sunlight:** To prevent the artificial leaves from fading, store or hang the lights in places that are not frequently exposed to direct sunlight.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Lights not turning on	Battery issues	Replace with 3 AA fresh batteries.
Light flickering unexpectedly	Flashing mode on	Switch to steady mode if flickering is undesired.
Leaves are not lit up	Loose connection	Check all light connections for tightness and secure them.
The lights don't stay on	Battery not installed properly	Ensure batteries are installed correctly, with correct polarity.
Lights are dim	Low battery power	Replace batteries with fresh AA batteries.
The light string is tangled	Improper storage	Untangle the lights carefully and store them properly next time.
The leaves look misshapen	Shipping damage	Gently reshape the leaves by hand.
Light modes are not switching correctly	Switch malfunction	Check if the on/off switch on the battery box is functioning.
The lights don't flash or stay steady	Incorrect mode setting	Toggle between flashing and steady modes on the switch.
Unable to use in outdoor conditions	Not weather-resistant	Keep lights in a dry, sheltered area to avoid weather damage.

PROS & CONS

Pros:

1. **Tropical Theme** – Ideal for creating a beach or Hawaiian atmosphere.

2. **Battery Operated** – Can be used anywhere, no need for electrical outlets.
3. **Flexible Modes** – Offers flashing and steady lighting modes.
4. **Easy Setup** – Quick to install with no wiring required.
5. **Multipurpose Use** – This is Perfect for indoor and outdoor decorations.

Cons:

1. **Battery Drain** – Requires 3 AA batteries, which are not included.
2. **Shorter Length** – The 10ft length may be too short for larger spaces.
3. **Artificial Leaves** – They may not have the authentic look of real plants.
4. **Non-Weatherproof** – May not be suitable for extreme weather conditions.
5. **Leaf Size** – Leaves might be smaller than expected, measuring 5.5 x 4.7 inches.

WARRANTY

The RECUTMS Monstera Leaf String Lights come with a **1-year** warranty from the manufacturer. If there are any issues with the product, including defective lights or malfunctioning parts, the manufacturer offers a replacement or refund within the warranty period. For support, you can contact RECUTMS' customer service for a resolution.
