## FAQ

1. If the keyboard doesn't respond, please check if the keyboards USB cable is correctly inserted into the corresponding USB port on the computer, or try another USB port on the computer.
2. If you spill liquid on the keyboard, please unplug the keyboards USB cable from the computer immediately. Wipe off excess liquid and put the keyboard in a dry and ventilated place. Make sure the keyboard is dried naturally before the next use.

## FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1 )this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## BATTERY SAFETY GUIDELINES

**DO NOT** replace the battery with a different model.

**DO NOT** use this product if the battery shows signs of damage including , but not limited to tearing, deformation, leakage, or the smell of electrolytic material.

**DO NOT** touch the battery if material is leaking and seek immediate medical attention if any material comes into contact with your skin or eyes.

**DO NOT** expose the battery to liquid, heat sources, electricity (outside of the product itself), or other non-standard operating condition.

**DO NOT** remove the battery except for proper disposal and recycling as required by local laws and regulations. **DO NOT** impact, bend, alter, disassemble, or otherwise damage the battery as the contents are volatile, hazardous, and can be harmful.

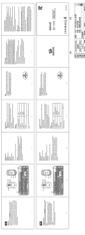

Failing to follow all safety guidelines may result product damage, explosion, fire, and/or electric shock.

**This device contains licence-exempt transmitter (s) /receiver (s)** that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired operation of the device.
