Factory Installed Firmware

- Factory firmware can be found below and re-installed using the Blackbox Link 2.6 PC program.
- If you want to install factory firmware or firmware updates, you **MUST** first install Programmer2 version EE460140 under Firmware Updates before installing. This version is required when using Blackbox Link 2.6 to perform updates. It also allows universal programming of all current ESCs and updates.

Model	Date	File Name	File Description	Firmware & Manual
610R	2/22/2023	11858505	Factory firmware	link
510R	3/9/2018	B468314	Factory firmware	link
