### **OUR STORY**

- SA Consumer Products continues to be the industry leader of innovative, feature rich in-home secure storage

products in the USA and Canada. We pride ourselves on the design, manufacturing and fulfillment of innovative, feature rich products focused on quality and disruptive value. We back these products up with the industry's best warranty and US-based customer service team. Our products can be found at many leading sporting goods, mass volume, independent and dot-com retailers. Please visit us at [www.saproducts.com](http://www.saproducts.com) to learn more about our incredible line of products or to find out how we can create a custom proprietary solution for your business.

## OUR BRANDS

### OUR COMMITMENT

We stand behind our products by offering the BEST WARRANTY IN THE INDUSTRY. If a problem does arise, we pride ourselves by providing exceptional customer service in resolving any issue. We want our customers to be 100% satisfied with our products.

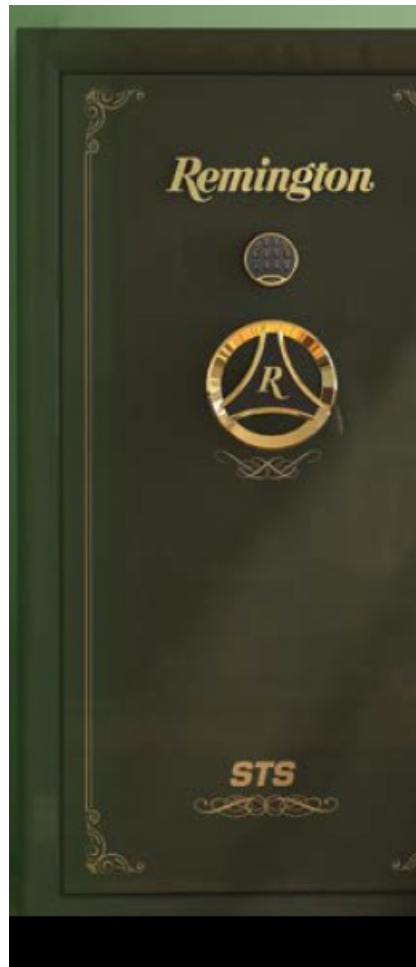

For help with any issues, contact us at our toll free number – 1-888-792-4264. For additional information on the SA Consumer Products warranty visit us at [www.saproducts.com](http://www.saproducts.com). Or follow us on

### Premium In-Home Secure Storage Products

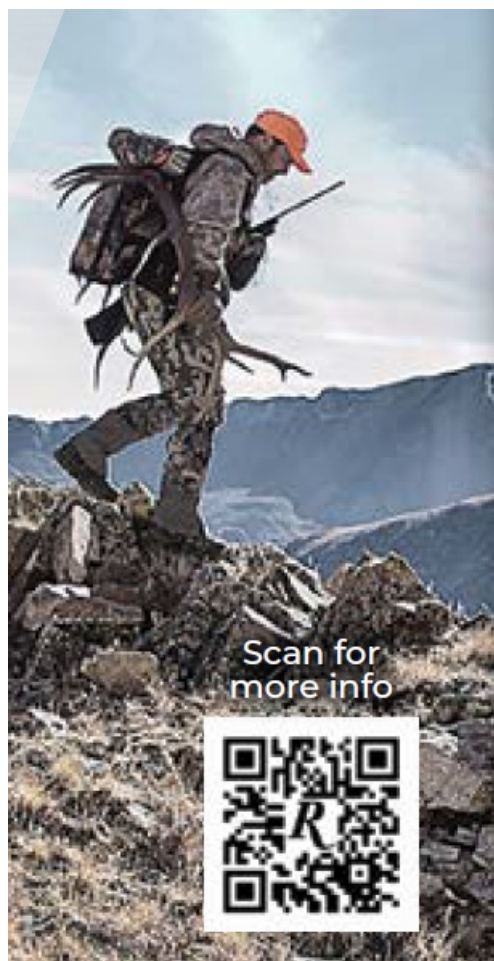

From muskets to modern-day, generations of hunters and shooters have trusted the legendary REMINGTON® brand. Since 1816, REMINGTON® and America have fought and won wars, put food on millions of tables, and brought countless friends and family together at the range and in the field. Now you can trust us with safes built to protect your valuables and loved ones. The REMINGTON® lineup of gun safes offers high-quality products with an ageless aesthetic embodying the American spirit of ingenuity, the true REMINGTON® standard. Inspired by this legacy, the REMINGTON® lineup of gun safes takes state-of-the-art, feature-rich specifications and shapes them into robust, high-quality products reflecting the lifestyle of the avid outdoorsmen and the self-

determined men and women who made the brand what it is today.

#### DETAILS
