RetroSound Apache M1B AM and FM Receiver

Product Information

The product is called Apache Face, which is a radio face that can be used with the Radio Motor. It is designed to provide modern sound for classic vehicles. The package includes the Apache Face, backstrap, shafts, hardware, and a quick start guide. Please note that the Vintage Dial Screen is sold separately and not included in the package. For more comprehensive instructions, you can refer to the user's manual included in your motor box or visit our website at **help.retromanufacturing.com**. If you have any technical questions or need assistance, you can contact us at **tech@retromanufacturing.com**.

Product Usage Instructions
Control Layout

- Left-Front Knob – Knob 1
- Right-Rear Knob – Knob 4
- Left-Rear Knob – Knob 2
- Right-Front Knob – Knob 3

Basic Operation

Apache Mode Before using the Radio Motor with the Apache Radio Face, you need to set up the control mode. Follow these steps:

1. Turn on the vehicle's ignition.
2. Press and hold the Left-Front Knob(1) to turn on the radio.
3. Press and hold the Right-Front Knob(3) for 3 seconds to access the sub-menu.
4. Rotate the Right-Front Knob(3) to cycle through the choices until "SEL PANEL" appears.
5. Press the Right-Front Knob(3) to select "SEL PANEL".
6. Rotate the Right-Front Knob(3) until "APACHE" is displayed on the screen.
7. Let the unit time out to set.

Your Radio Motor is now configured to work with the Apache Radio Face.
If you have selected the incorrect option or need to reset the control mode, follow these steps:

1. Press and hold the Left-Front Knob(1) for approximately 15 seconds.
2. The radio will reboot into SEL PANEL mode.
3. Press and release the Left-Front Knob(1) until "APACHE" appears on the screen.
4. Let the unit time out to set.

Radio Presets
To store a preset on the Apache Radio Face:

1. Rotate the Right-Front Knob(3) to tune to the desired station.
2. Rotate the Right-Rear Knob(4) clockwise to select the desired preset (1-6).
3. Once selected, press the Right-Front Knob(3) to store.

To recall a preset

- Turn the Right-Rear Knob(4) clockwise and release.
- Repeat to move through the saved presets.

Other Functions

- Power On/Off – Press the Left-Front Knob(1) to power the unit on. Press and hold the Left-Front Knob(1) to power the unit off.
