Product Usage Instructions

Replacement of Waste Containers:

To replace an existing container or add additional waste storage, follow these steps:

1. Ensure the new container matches the series of the existing one.
2. Remove the old container carefully.
3. Place the new container in the designated area.

Adding Waste Storage:

If using the container for additional waste storage, consider the following:

- Choose an appropriate location for the container.
- Ensure the lid is securely in place if included.
- Regularly empty the container to maintain cleanliness.

FAQ

Frequently Asked Questions

- **Q:** What should I do if there is a problem with the fit of the container?
 - **A:** Check the container series to ensure compatibility with your setup.
- **Q:** Are lids included with the containers?
 - **A:** Lids are sold separately. Make sure to purchase the appropriate lid for your container model.
