rizoma Indicator Mounting Kit

Product Information

- **Brand:** Rizoma
- **Model:** Mounting kit turn signals
- **Part Number:** FR248
- **Difficulty Level:** Medium
- **Time of Assemblage:** 10-15 minutes

Product Usage Instructions

Installation:

1. Disconnect the battery before starting the installation process to avoid electrical shock.
2. Follow the provided instructions carefully to ensure correct installation.
3. Ensure all accessories are positioned correctly before tightening to avoid compromising product functionality.
4. After installation, check that all related components of the motorbike function properly (e.g., brakes, throttle, lights).
5. Regularly inspect and maintain your Rizoma products, especially after long trips or periods of non-use.

Maintenance:

If your Rizoma products show signs of leakage, bending, deformation, cracks, chips, or wear, have them inspected by an authorized dealer before further use. Never attempt to repair or modify the products yourself.

FAQ

• **Q: Are Rizoma products compatible with all motorcycles?**

A: Rizoma products may not be compatible with all motorcycles or aftermarket equipment. It is recommended to contact your Rizoma dealer for compatibility information.

• **Q: What should I do if I encounter difficulties during installation?**

A: If you face challenges during installation, it is advisable to seek assistance from an authorized Rizoma

dealer for proper guidance.

Before you start

Welcome to Rizoma

We are pleased to welcome you into the world of RIZOMA, and we congratulate you for your excellent choice. Please carefully follow the instructions in this guide, which will allow you to mount and use the product correctly and enjoy all the features it has. For your protection and safety, RIZOMA expressly recommends that you have the installation of the product performed by skilled personnel. Improper installation, repair or maintenance, can cause accidents. Keep this user guide as a reference for the future. RIZOMA accepts no liability for any damage, of any kind, which may be caused, directly or indirectly, to persons or things as a result of incorrect assembly or failure to observe all the assembly instructions. We also invite you to comply with the provisions of the Highway Code and Traffic rules and/or additional regulations in force in your Country.

General conditions

Attention:

This component comes assembled for shipping purposes only. Tighten all fasteners to appropriate torque specifications before riding.

Descriptions preceded by this symbol contain information, instructions, or procedures, which, if not followed, may result in death or serious injury.

1. Carefully read, understand, and follow these instructions, they are an essential part of the product. If you have any doubt whatsoever regarding the installation or use of your RIZOMA product, please see your authorized RIZOMA dealer for assistance (on www.rizoma.com).
2. For correct installation, all tightening has to be done after the correct positioning of the accessories without restricting the moving parts, to not compromise the correct functioning of the product.
3. After installing any Rizoma product, please check that all related components of the motorbike function e.g. brakes, throttle, clutch, lights, and steering. We strongly suggest repeating these checks periodically, especially after long trips or prolonged periods of not using the bike.
 - Your RIZOMA products require regular inspection and maintenance. The more you ride the more often you must inspect your RIZOMA products. If your products are leaking, bent, deformed, cracked, chipped, or worn, no matter how slight, immediately have a RIZOMA dealer inspect the products before you ride again. In any case, never try to repair or modify the Rizoma products or their components, always replace them with Rizoma original components.
 - Rizoma products may not be compatible with your motorcycle or with other aftermarket equipment installed before. For your safety, Rizoma suggests always contacting your RIZOMA dealer.

O.E.M.: original equipment manufacturer.

PARTS

Before you start mounting the product please check the completeness of the kit on the part list. The difficulty level and the time of assemblage shown do not include the removal of OEM components.

SAFETY WARNING

- RIZOMA reserves the right, in its sole discretion, to make changes to the product and this information at any time and without prior notice. Although many catalogs and advertisements depict riders engaged in extreme or stunt riding, this activity is extremely dangerous, increases the risk of an accident, and increases the severity of any injury.
- The action depicted is performed by professionals under strictly controlled riding conditions.
- Only you know the limits of your riding ability and only you can control the conditions under which you ride. By and in consideration for his/her purchase and use of the RIZOMA product, the user expressly recognizes and agrees that in the event of any claim arising out of the use of this RIZOMA product, whether such claim is based on contract, warranty, tort (personal injury or wrongful death) or otherwise, the laws of the Republic of Italy shall apply and jurisdiction and venue for any such action shall be in the Courts of Busto Arsizio, Italy.
- All riders are strongly urged to take a motorcycle rider safety clinic. Always wear a properly fitted and fastened motorcycle helmet (RIZOMA recommends a full-face helmet), that has been approved by ANSI, SNELL, CE, or any other relevant authority, and any other safety equipment necessary for your riding style, such as full-finger gloves, boots, and body armor.
- Be sure to read and follow all the instructions and warnings that originally accompanied your motorcycle, as well as the literature that accompanied any other parts installed on your motorcycle.
- Be sure that your tires are inflated to the correct pressure and that there is no damage whatsoever in the tread or sidewall of the tire.

Legal notes

Some of our products may not be approved for road circulation in the countries where homologation is required. Thus RIZOMA® srl declines any responsibility for a different use of its products.
